Section 3: Termination of Membership

A member institution may terminate its membership in the alliance upon prior written notice thereof to all of the other member institutions. Termination of such membership shall be effective as of the date determined by the Board, but not to exceed three (3) months after such notice. During the period following such notice, but prior to the effective date of termination, the representatives of such member institution on the Board may attend all meetings of the committee but shall not be authorized to vote on any matters presented for decision.

Article 5: Powers and Duties of Officers

Section 1: Director of the Board

The Director of the Board shall preside at all meetings and shall do and perform such other duties as from time to time may be assigned to him or her by the Board.

The office of Board Director shall rotate among the member institutions in alphabetical order of the institutions' names. The Board representatives of each institution in conjunction with the institution's president shall determine the manner in which they select the member who is to serve as Director. The term of office shall be two (2) years and begins on July 1 and ends on June 30. In the event that the Board Director must resign before the end of his/her term, the hosting institution shall continue to be responsible for hosting NCHEA through the completion of the 2-year term, and must select a replacement Director.

The Director shall be responsible for the general, day-to-day management of the affairs of NCHEA. On behalf of NCHEA, he or she may encourage, solicit and accept gifts of both real, intangible, and personal property and money, collect revenues and make such expenditures as may be delegated to him or her by the Board.

Section 2: Director-Elect of the Board

The Director-Elect shall be selected one year before the end of the existing Director's term of office and shall preside at all meetings of the Board in the absence of the Director and shall do and perform such other duties as from time to time may be assigned to him or her by the Board. He or she also shall perform the duties of the Director when the Director is ill, incapacitated, or absent from the area.

The office of Board Director-Elect shall rotate among the member institutions in alphabetical order of the institutions' names and shall be appointed by the institution whose name follows in alphabetical order that of the current Director's institution. The term of office shall be one (1) year.

Section 3: Past Director of the Board

The Past Director shall be a voting member of the Board for one (1) year after his/her term of office as Director ends and will assist the Director as needed. During the year preceding the selection of the Director-Elect, the Past Director shall preside at all meetings of the Board in the absence of the Director and shall do and perform such other duties as from time to time may be assigned to him or her by the Board. He or she also shall perform the duties of the Director when the Director is ill, incapacitated, or absent from the area.
Article 6: Fiscal Matters

Section 1: Fiscal Year

The fiscal year of the NCHEA shall begin on July 1 in each year.

Section 2: Fiscal Agent

The Fiscal Agent shall be the CSUSM Foundation. Each member institution shall contribute $7,500.00 or more annually. The Fiscal Agent shall have the prerogative of depositing NCHEA monies in the bank accounts for purpose of invoicing, processing purchase orders, receiving and transferring funds, making payments, and performing such other functions as are deemed necessary by the Board Director. The approval of the Board Director or of a designated staff member of the hosting institution shall be required to authorize any disbursement of funds. An annual report of the NCHEA accounts will be made at the annual meeting with the Presidents.

Section 3: Overhead/Fees

NCHEA shall be authorized to collect overhead and charge fees for grants and contracts. Fees for seminars, workshops, conferences and other meetings may be charged to recover costs, defray overhead expenses and general revenue for the alliance.

Section 4: Budget Analyst

The hosting institution is responsible for selecting a staff member to support NCHEA. This individual must work closely with the Fiscal Agent (CSUSM Foundation), shall keep regular books of account and shall submit them, along with all other relevant records, to the Board for its examination and approval as often as it may require.

Section 5: Annual Dues

Annual dues are assessed at $7500.00 per institution to underwrite the working expenses of NCHEA and are due and payable by October 1 upon submission of an invoice.

Section 6: Director’s Compensation

During the fall and spring semesters, the hosting institution which appoints the Director will provide no less than 10 hours per week or 25% assigned time to the Director. During the summer NCHEA will compensate the director with a $3000.00 stipend. At the discretion of the Director, all or a portion of such funds may be used to support professional development activities (instructional software, books, conference travel, etc.) rather than being taken as a stipend.
However, total summer compensation shall not exceed $3000. The Director may choose to share responsibilities and split that stipend with the Director-Elect the summer before the new Director’s term.

To assist the Director in his/her leadership capacity, NCHEA will support up to $1,200 of his/her travel to one professional conference each year that deals with higher education consortium leadership.

Section 7: Student Board Members’ Compensation

Student Board members will receive $250.00 per semester for such tasks as warranted necessary by the Board. At the discretion of the student Board member, and in consultation with the Board Director, all or a portion of such funds may be used to support educationally-related expenses (books, tuition, parking fees, etc.) rather than being taken as a stipend. However, total compensation to each student Board member shall not exceed $250 per semester, unless specifically approved in advance by the Board as compensation for the completion of additional jobs.

Article 7: Joint Grant Proposals

The NCHEA Director shall act as a facilitator and coordinator for multi-campus grant proposals. The NCHEA Director shall also act as an initiator for consortium grants.

NOTE: While NCHEA does not have authority to approve grant proposals for the campuses it may act as a co-sponsor or grant supporter. NCHEA does not have authority to commit funds nor in-kind expenditures from any account other than its own but may act in support of requests for joint funding.

1. Members of a grant proposal team wishing to develop a multi-campus proposal should contact their campus NCHEA representative, with copy to the NCHEA Director. The campus representative will then work through NCHEA, with the assistance of the Director, to identify the resources, policies, and procedures on the sister campuses that will help the preparers to complete the grant proposal; the NCHEA representative will also help the preparers to (a) notify affected members of the campuses and (b) obtain required signatures.

2. The NCHEA representative, Director, and other involved Board Members will complete these activities in a timely manner, sensitive to the typical urgency of the grant-writing process. (In other words, this effort will not be bound by the typical NCHEA meeting schedule, but interaction will take place almost immediately via telephone and/or email.)

3. Joint grant proposals seeking the support and/or co-sponsorship of the Alliance must ensure that the Director and, when feasible, NCHEA Board Members have adequate materials and at least one week for review and
recommendation. An NCHEA letter of support will be provided for inclusion in proposals which further the goals of the Alliance.

**Article 8: Responsibilities of the Host Institution**

The Director's institution shall be known as the "hosting institution" and shall provide support for NCHEA functions and members as follows:

1. Unless otherwise arranged, NCHEA board meetings shall be convened at a meeting facility provided by the hosting institution.

2. The hosting institution's Public Affairs Office shall take responsibility for publicizing information about NCHEA events and other newsworthy items to local news media. In addition, it shall act as liaison to the member institution's Public Affairs organizations as needed.

3. The hosting institution shall appoint a secretary to the Board who will keep minutes, send notices of Board meetings, maintain files of minutes and history, and help the Director with duties, such as general correspondence, annual reports, website creation and maintenance, and newsletters. This individual may also serve in the budget analyst role indicated in 6.4, or another staff member may be appointed.
