THE PROGRAM IS CALIFORNIA COMMISSION ON TEACHER CREDENTIALING (CCTC) AND
NATIONAL COUNCIL FOR ACCREDITATION OF TEACHER EDUCATION (NCATE) APPROVED.
Requirements are subject to state and federal changes in credential law.

Improving the Diversity and Quality of Future Teachers

MISSION STATEMENT

The mission of the School of Education Community is to collaboratively transform public education by preparing thoughtful educators and advancing professional practices. We are committed to diversity, educational equity, and social justice, exemplified through reflective teaching, life-long learning, innovative research, and ongoing service. Our practices demonstrate a commitment to student centered education, diversity, collaboration, professionalism, and shared governance.

INTEGRATED BACHELOR OF ARTS IN LIBERAL STUDIES AND MULTIPLE SUBJECT CREDENTIAL PROGRAM

The Integrated Credential Program provides students with a Bachelor of Arts degree with a major in Liberal Studies (CHABSS) and a Multiple Subject Credential from the School of Education (CoEHHS). The Integrated Credential Program consists of themed semesters of upper-division and post-baccalaureate courses that are taken in both colleges. It includes all the upper division courses required for the Bachelor of Arts Degree (Liberal Studies major) from the College of Humanities, Arts, Behavioral and Social Sciences and all the coursework required for a Multiple Subject Credential from the College of Education, Health, and Human Services.

Each semester students take 9-16 units of core and non-core coursework. The required core courses are offered in blocks each semester, and students take all courses in the block as a cohort. The core courses include subject matter courses in the Liberal Studies major paired with the appropriate pedagogy courses from the School of Education. The underlying principle of the Integrated Program is for students to study subject matter during the same semester as they study how to teach that subject matter.

Each semester includes 3-6 units of required non-core courses. While the required non-core courses may be taken out of sequence (i.e. during additional semesters or summer terms), it is urged that whenever possible they be taken in the semester indicated. The required non-core courses are not taken in block or cohort form.

Benefits of the Integrated Program

- Learning Community using cohort model.
- Students are guaranteed registration in block core courses.
- Pairing of subject matter preparation with teaching methods enhances learning.
- Field experience is spread across the program, culminating with Clinical Practice placements in the final semester.
- Built-in support system includes Faculty Coordinators and ICP Academic Advisor.
- Opportunity in the program to be involved in the profession you want to work in as an undergraduate student.

Planning for Admission to the Integrated Program

- Maintain a 2.67 GPA or higher.
- Complete the lower division requirements of the Liberal Studies Major.
- Contact: CEHHS Student Services
Phone: (760) 750-4277 Email : cehhs-ss@csusm.edu
Website: <http://www.csusm.edu/cehhs/student-services>

Application Process for the Integrated Program

- Apply to the University, on-line at: www.csummentor.edu
- Once accepted to the University, attend CSUSM Liberal Studies Major Orientation.
- Complete a one-page application for the Integrated Credential Program.

Upon Admission to the Integrated Program

- **TUBERCULIN CLEARANCE:** Tuberculin clearance is required. This is different from the proof of immunization required for admission to the University. The tuberculin clearance is valid for four years and must remain valid throughout all clinical practice experiences. The clearance may be obtained at the CSU San Marcos Student Health Center (760-750-4915), in a private physician's office, or the County Health Department.
- **CERTIFICATE OF CLEARANCE:** Applicants must apply for a Certificate of Clearance during EDUC 350B or before admission to the Integrated Program. The appropriate paperwork will be provided in the EDUC 350B class and is also available in the ICP office. The Certificate of Clearance, once obtained, is valid for 5 years.

IMPORTANT ICP NOTES

1. In order to receive the Bachelor of Arts degree and the Multiple Subject Credential within the program, candidates must complete all courses each semester as described in the curriculum below.
2. Candidates will be expected to take the 9-13 units of required core courses each semester as a cohort. The core courses are offered in blocks each semester and candidates must take all courses in the block.
3. It is anticipated that throughout the program, candidates will take one or more of the required non-core courses in addition to the required core courses. While the required non-core courses may be taken out of sequence (i.e., during additional semesters or during summer terms), it is highly recommended to take non-core courses in the semester indicated.
4. Group interviews for admission to the Integrated Credential Program will be conducted during the prerequisite semester or prior to admission to the program. Interviews are conducted by ICP Program Coordinators and Faculty.
5. All students entering the ICP program resulting in the issuance of a Multiple Subject Credential must pass the ED TPA before an online recommendation of the credential may be submitted to the Commission on Teacher Credentialing.
6. Candidates seeking a Bilingual Authorization: SPANISH Emphasis will be required to pass the CSET/LOTE III-Spanish Language and Communication exam at www.cset.nesinc.com and register for coursework at times to be determined in consultation with the ICP Academic Advisor. Candidates must also do at least one Clinical Practice placement in a biliteracy or other primary language program.
7. All School Of Education courses with the suffix 'B' on the course number are the same as courses with the same course number in the Post-baccalaureate Credential Program.
8. Classroom involvement is incorporated throughout the program. Candidates have two Field Practicum experiences associated with coursework and final Clinical Practice during semester 5.
9. The Liberal Studies degree is conferred after Community Theme semester 4 of the ICP program. At that point teacher candidates transition from an undergraduate student status to a post baccalaureate status. Teacher candidates MUST reapply to the University for Admission as a post-baccalaureate student during semester 4 to maintain enrollment for semester 5.

If you have a disability and will need reasonable accommodations to take part in the ICP admissions and/or interview process, please contact Disabled Student Services at (760) 750-4905 or by email a dss@csusm.edu. Specific questions regarding the ICP program or application process should be directed to CEHHS Student Services at (760) 750-4277.

EXAMINATIONS

BASIC SKILLS REQUIREMENT OPTIONS

<p>CBEST : Reading, Math, Writing California Basic Educational Skills Test</p> <p>http://www.cbest.nesinc.com</p>	<p>Individuals only need to pass the CBEST once: CBEST passing scores remain valid indefinitely for all credential and employment purposes. To pass the CBEST, one must obtain a minimum scaled score of 41 in each of the three sections—reading, writing, and mathematics. However, a section’s score as low as 37 is acceptable if the total scaled score is at least 123. Any or all sections of the CBEST can be repeated as many times as necessary to obtain a passing score, but the full registration fee is charged for each test administration.</p>
<p>CSET: Writing Skills Code 142 Expository Writing: Expressive Writing Test</p> <p>http://www.cset.nesinc.com</p>	<p>CSET: Multiple Subject Plus Writing Skills examination.</p> <p>Multiple Subjects examination has been modified, adding an assessment of basic writing skills. The writing skills portion is used in conjunction with CSET Subtests I, II, and III to meet the Basic Skills Requirement.</p>
<p>CSU Placement Tests:</p> <p>CSU EPT/ELM Processing 2731 Systron Drive Concord, CA 94518</p> <p>Email: EPT-ELMRequests@ets.org Website: http://www.ets.org/csu Telephone: (925)-808-2142</p>	<p>Entry Level Mathematics (ELM) & English Placement Test (EPT) ELM: score of 50 or higher & EPT: score of 151 or higher</p> <p>Passing scores on the ELM/EPT are sufficient to meet the basic skills requirement. Passing exam scores remain valid indefinitely for credential purposes.</p> <p>After March 2007: Score reports are available online at the ETS website. The online score report indicates it has been printed from the CSU EPT/ELM website and is acceptable verification of meeting the Basic Skills requirement. Click on the ‘Contacts’ link>test directory >topic list>scores tab</p> <p>Prior to March 2007: Send a letter with and your name, SSN, mailing address, month and year exams taken with \$10 check or money order.</p>

There is currently no fee for a duplicate EAP score. Allow 7 to 10 business days for a response.</p> <p>Individuals will receive, via e-mail, a letter on ETS letterhead verifying passage of the exam. The letter must say that the individual has passed both the English and Mathematics sections to meet the basic skills requirement.</p>

EXAMINATIONS CONTINUED

CSET Multiple Subject Examination. Teacher candidates in California are required to demonstrate competence in the subject matter they will be authorized to teach. **Candidates admitted to the ICP program must pass the California Subject Examinations for Teachers (CSET) Multiple Subject examination prior to Clinical Practice semester 5.**

The CSET examination consists of three (3) subtests:

Subtest I: Reading Language and Literature: History and Social Sciences	Test Code 101
Subtest II: Science; Mathematics	Test Code 102
Subtest III: Physical Education; Human Development; Visual & Performing Arts	Test Code 103

RICA. The California Commission on Teacher Credentialing requires passing the Reading Instruction Competence Assessment (RICA). Passing one of two components of RICA, either a comprehensive examination or a performance assessment, is a requirement for the initial issuance of a Multiple Subject Credential. The assessment cannot be taken until you have completed the Language and Literacy courses (EDMS 521B & 522B) which are part of the ICP program.

The CSU San Marcos School of Education RICA pass rate for 2008-2009 academic year is 98%.

Information, test preparation, and registration is available online at: www.ctcexams.nesinc.com

TECHNOLOGY REQUIREMENT

EDUC 422 – Technology Tools for Teaching and Learning, or Assessment is a prerequisite requirement in the Integrated Credential program. Proficient computer competency is necessary for success in EDUC 422. It is highly recommended that ICP candidates complete EDUC 422 in the pre-requisite semester or semester 1 of the program.

EDUC 422 can be taken as a 3-unit course or in 3 parts.

EDUC 422 specifically addresses three areas:

- Part A– Technology Basics
- Part B– Technology Tools for Learning
- Part C– Introduction to Electronic Portfolio

BILINGUAL AUTHORIZATION: SPANISH EMPHASIS

BILINGUAL Authorization Spanish Emphasis program is offered in conjunction with the Multiple Subject and Integrated Credential Program option. The authorization is for those individuals wishing to provide primary language instruction to second language learners. This program is designed to provide credential candidates with primary and second language theory, curricula, instructional strategies and methodology and is specially designed to instruct students in both their native language and in English language development across the content core curricula. The School of Education offers coursework and field experiences which will qualify candidates with the requisite skills, knowledge and disposition to design, implement, and teach biliteracy and other primary language programs.

There are (3) three requirements to be recommended for the Bilingual Authorization in Spanish:

1. Candidates must be fluent in Spanish and be able to pass the CSET Languages Other Than English (LOTE) III Exam in Spanish Language and Communication prior to issuance of the authorization. Students can sign up for the CSET LOTE III Exam at www.cset.nesinc.com
2. At least one Clinical Practice placement will be in a biliteracy or other primary language program.
EDMS 573 (7 units) Clinical Practice in Elementary School Bilingual/ELD Settings
3. The following courses must be successfully completed:
EDUC 653 (3 units) - Biliteracy Education I: Contexts for Learning Syllabus
EDUC 654 (3 units) - Biliteracy Education II: Methodology and Cultural Contexts

Please Note: The following requirements are for candidates wishing to pursue the Bilingual Authorization in Spanish after completing the ICP program with a valid basic Multiple Subject Credential with EL authorization and do not complete the bilingual clinical practice (EDMS 573):

1. CSET LOTE III Exam: Spanish Language and Communication
