IT'S **PERSONAL**

MEETING THE NEEDS OF
EVERY STUDENT

JULY 27, 2018

[REGISTER TODAY \(/register\)](/register)

**A fourth annual statewide day of learning by teachers,
for teachers**

To meet each student's needs, teachers know how important it is to personalize learning. These tailored strategies give students voice and choice in their learning, increasing engagement and generating better

Sign-up for updates, resources, and events

Your email address..

The Summit will bring new and seasoned teachers together at 30+ locations across the state to strengthen our teacher network, share resources and experience what it looks like to personalize learning for themselves.
