

CC 2.0 Logging into Cougar Courses

1. Log onto the University's website at www.csusm.edu.

2. In the Student Essentials list, click the **Cougar Courses** link.

3. This should lead you to the Cougar Courses homepage. On the left hand side you will see the login block.

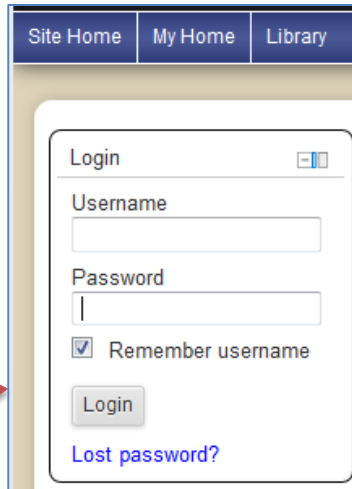

4. Type your **Username** into the *Username* field.

Note: Your **Username** will be the same as the beginning of your student email – everything before the “@” sign.

5. Type your **Password** into the *Password* field.

Note: If you do not know your password, contact the Student Technology Help desk located at the 2nd floor entrance of Kellogg library: sth@csusm.edu

6. Click the **Login** button.

7. After successful login, you should see a “Students” heading with student-specific information and announcements, followed by links to the courses in which you are currently enrolled. **Note:** At the start of the semester, your courses are not listed below the student heading. You can also access your courses from the **MY Home** tab at the top of the page.

Note that Instructors make their course visible to students if and when they choose, so if you do not see one of your courses listed, contact your Instructor.

Cougar Courses
California State University San Marcos

Students: If you do not see your course listed, your instructor has not made it available.
Forgot your password or CSUSM email address? Contact the student help desk: sth@csusm.edu, call 760.760.6505 or go to the help desk next to the 2nd floor entrance to Kellogg Library.

Logon: Username=first part of your email address (ex: doe001); password= email password.
Site Maintenance: Occurs nightly from 1:30 am-3:15 am: students should not submit a quiz/exam, forum post, or assignments.
Assistance with Cougar Courses: Email cchelp@csusm.edu or call 760-750-6505.

NOTICE: To access your courses, click on the **My Home** tab above.

After the first 10 days of the semester, your courses will be listed here. Until then, access from the MY HOME tab.
