TIP: If your quiz has 10 or more questions displayed per page, use the Next button to save your responses every 4 -5 questions.. This can prevent accidental erasure of all your answers in case of computer problems or navigation errors. You can change your answers any time before your final submit.

7. You can follow along with your Quiz's progress by the **Quiz Navigation** box, on the left.

- Questions that you *have answered* will have a grey background.
- Questions you have *not answered* will have a white background.
- Questions you *flagged* will have a little red corner.
- And the *question you are currently on* will have a bold black outline.

8. You can follow along with how much time you have left in the quiz by looking at the *Time Left*, in the Quiz Navigation.

9. To go back to a question, simply click on it in the Quiz navigation box.

*Keep track of your time. You will not receive a warning that your time is almost up.*

10. Once you click "**Next**" on the last quiz page, **or** click "**Finish attempt**" in the Quiz navigation block, a summary of your attempt displays. Make sure all of the questions say *Answer saved.* If not, click "Return to attempt" or click on the question number.

11. When you are satisfied with your attempt, click the **Submit all and finish** button to turn in your quiz.

12. Another Confirmation box will pop up. **Confirm** that you do want to submit your quiz.

IMPORTANT: Do not use the back button on your browser while taking a quiz. This will delete all unsaved answers and kick you out of the quiz. Depending on the quiz settings, you may not be able to continue your attempt.
