Submit completed form and a required accessible syllabus via email to curriculum@sjsu.edu. We do not accept hard copies or scans. The deadlines for submission are December 19 for inclusion in the following Fall CMS catalog and program requirements and May 20 for inclusion in the following Spring CMS catalog. If you have questions, or need more information, please visit the Undergraduate Curriculum webpage at http://www.sjsu.edu/ugs/curriculum/ and/or call 924.2449 or 924.2445. Please note that all New Permanent Course Proposals must first be approved by the department and college curriculum committees and signed off by the library liaison and the Dean's Office before submission to Undergraduate Studies. ALL course materials must be accessible; tips on course accessibility are available from Center for Faculty Development.
