1 2	GEC: GE Learning Outcomes Placement on Syllabi
- 3 4	Rationale: The WASC 2013 Handbook of Accreditation Criterion for Review 2.3 states the following:
5 6 7 8 9 10	The institution's student learning outcomes and standards of performance are clearly stated at the <b>course, program, and, as appropriate, institutional</b> level. These outcomes and standards are reflected in academic programs, policies, and curricula, and are aligned with advisement, library, and information and technology resources, and the wider learning environment. <i>(Emphasis added.)</i>
11 12	Criterion for Review 2.4 states the following:
13 14 15 16 17 18	The institution's student learning outcomes and standards of performance are developed by faculty and <b>widely shared among faculty, students</b> , staff, and (where appropriate) external stakeholders. The institution's faculty take collective responsibility for establishing appropriate standards of performance and demonstrating through assessment the achievement of these standards.
19 20	GUIDELINE: Student learning outcomes are reflected in course syllabi. (Emphasis added.)
20 21 22 23 24 25 26 27	The stratification of learning objectives at the course and program level is a matter with which our campus has been busy for several years. Most faculty have been closely involved with development of learning objectives/outcomes in the programs of their own departments. The GE program is also a 'program' with learning objectives and outcomes which the GEC has been composing. In GE, learning outcomes at the Area level (e.g., Area A2, B2, C3, D, E) were completed and approved by Academic Senate in 2012 and 2013. GE learning outcomes at the program level are partially developed.
28 29 30	In order for these learning outcomes to meet the criteria for review of WASC, the GEC sees it as necessary to make it policy that these learning outcomes be posted in syllabi of all GE courses.
31 32	Policy:
33 34 35	The syllabus or first-day handout of a general education course at CSUSM must include the following:
36 37 38 39 40 41	<ol> <li>A web link to the online location of the GE Program learning outcomes (when available);</li> <li>A web link to the online location of the GE learning outcomes for which the course is certified;</li> <li>A list of GE Program learning outcomes which are addressed in the course;</li> <li>GE Area learning outcomes in the area(s) for which the course is certified.</li> </ol>
42 43	The campus syllabus guidelines shall be updated to include this directive.
43 44 45	The GE learning outcomes at area and program levels shall be posted in a public place on the campus web server in a format which is easily copied and pasted for use in individual syllabi.

1 2	Directors as "eligible faculty"
