- I. **Approval of Agenda**
- II. **Approval of Minutes of 02/16/2011**
- III. **Chair's Report, Rika Yoshii** Survey of services for ESL and EFL students  
  
**Referrals:**      APC      Consider change in TOEFL score requirement (which appears on page 26 of the current catalog) based on 2/16/11 proposal to EC from Zwick:  
  
Writing test score cut off: 21. Reading: 17. Speaking: 17. Listening: 17. Those with total score >72 but an individual test score less than the above would be admitted conditionally. This will result in CSUSM having lower minimum than four CSU campuses. EC suggestions/questions:
  1. Why 72 and not 61? Most of the campuses will still be below us in terms of the minimum score.
  2. Writing is not the only important part. Why require only Writing score of 21?
  3. Could we have a more stringent requirement for a specific major?
  4. What is the data on TOEFL score vis a vis graduation success? Shouldn't we be looking at that?
  5. TOEFL scores are not good indicators any way. Remediation and support are more important.
- IV. **Coordinator's Report, Marcia Woolf** Schedule of remaining 10/11 cmte business items, due 2/23  
Survey re meetings attended as committee chair, due 2/28
