#### Excerpt from the Election Rules & Guidelines:

## **GUIDELINES FOR ELECTION OF STANDING COMMITTEES**

- 1. Standing Committee membership is of two types: College/Library representatives and at-large representatives. The members of the various committees serve staggered two-year terms.
- 2. Election and balloting for College/Library representation shall be by College/Library, or, in the case of the General Education Committee (GEC) and the Promotion and Tenure Committee (PTC), by area; and for at-large representation, by the eligible faculty.
- 3. The Preference Form shall ask faculty to indicate which committees they would choose to serve on <u>and</u> whether they would choose to represent their College/Library or the faculty at-large. Additionally, faculty will be asked to indicate whether they would be willing to serve on more than one committee and to rank their preferences (i.e., #1, #2 with #1 being the most preferred).
- 4. Elections for Promotion and Tenure Committee member positions must be contested (at least two candidates per seat). If there are fewer than two candidates per seat in the Spring Election, NEAC will put out a call for nominees within the first two weeks of the subsequent semester (fall semester). NEAC will conduct an election for the uncontested seats once a minimum of two candidates per open Promotion and Tenure Committee seat is secured. This special election does not require a sample ballot.
- 5. A person may be elected to serve on more than one committee.

6. After election results have been announced, each current committee chair shall convene a meeting of current committee members and new committee members to (a) review the year-end committee report and (b) elect a committee chair for the next academic year. Each current committee chair shall notify the Academic Senate Office of their committee's newly elected chair. The newly elected chairs (with the exception of the Promotion and Tenure Committee [PTC]) and the newly elected Academic Senate Officers will constitute the Executive Committee for the following academic year.

- 3 7. No person shall be elected chair of more than one standing committee.
- 8. The terms of the standing committee members rotating off the committees shall end on the last day of the Spring semester. Any business that must be addressed before the academic year ends will be conducted by the extant standing committees.
- 9. When vacancies arise on Standing Committees due to a faculty member being on leave or due to a faculty member's resignation, NEAC shall issue a call for a volunteer replacement to serve for the
  remainder of the term duration of that faculty member's absence. Promotion and Tenure Committee
  vacancies may not be filled through NEAC recommendation. These may only be filled by an
  election, in accordance with item 4 of the Guidelines for Election of Standing Committees.
- Subsequent to the Spring election, NEAC will interpret those seats that remain unfilled as "Vacant".
  Vacant seats shall be filled by implementing the previous rule, with the exception of Promotion and
  Tenure Committee vacancies. These may only be filled by an election, in accordance with item 4 of
  the Guidelines for Election of Standing Committees.

# Proposal for New Master of Arts in Education Option in Communicative Sciences and Disorders, and Clinical-Rehabilitative Credential in Language and Speech

Proposed catalog description.

## **Option in Communicative Sciences and Disorders with Clinical-Rehabilitative Services Credential in Language and Speech** (75 units)

9 This Master's level program will prepare candidates for the professional practice of Speech-Language Pathology. 10 The coursework and practicum experiences that comprise this option enable candidates to simultaneously obtain 11 the Master of Arts in Education degree, fulfill the academic requirements for the American-Speech Language 12 Hearing Association's membership and certification, and meet the California Commission on Teacher 13 Credentialing requirements for obtaining the Clinical-Rehabilitative Services Credential in Language and Speech.

14 Although Cross-Cultural, Language, and Academic Development (CLAD) competence is not a credential

- 15 requirement, it is a program emphasis.

To be admitted to this Master's Option, a candidate does not have to satisfy California subject matter competence
 (i.e., passage of the CSET or PRAXIS). Instead, a candidate must evidence completion of foundational

19 coursework. Specifically, a candidate must evidence successful completion of a CCTC-approved baccalaureate-

20 level cluster of courses in Speech and Language Sciences or Communicative Disorders. This course of study must

include 27 units of upper division undergraduate subject matter in basic sciences plus an introductory course on
 speech-language services that includes a minimum of 25 observation hours.

After earning this Master of Arts degree, to be licensed as a Speech-Language Pathologist in California and to obtain the Certificate of Clinical Competence (CCC) through the American Speech-Language Hearing Association, candidates must a) take and pass with a minimum score of 600 the National Examination in Speech-Language Pathology administered by the Educational Testing Service and b) complete either thirty-six (36) weeks of full-time supervised experience or seventy-two (72) weeks of part-time supervised experience. This Master's Option in Communication Sciences and Disorders prepares candidates to pass the national exam and allows candidates to complete their 36 weeks of supervised experience in partner school districts in the Cal State San

31 Marcos service area of San Diego, Riverside, Orange, and Imperial counties. Additionally, in order to maintain

32 state licensure and national certification, professionals must demonstrate continued professional development by 33 accumulating professional development contact hours (these differ between states and national level and can be 34 obtained by contacting the appropriate governing bodies).

#### 36 Additional Admission Requirements

Because this Master of Arts option leads to an initial credential and, therefore, does not require applicants to hold
 a valid California credential for consideration for admission, the following additional admission requirements also
 apply.

- 1. *College of Education Application Fee.* A \$25 credential application fee is due upon application to a credential program.
  - 2. *Bachelor's Degree*. A Bachelor's degree or all undergraduate academic subjects must be satisfied toward a bachelor's degree before entering this program option.
- 47
  48
  3. Undergraduate Subject Matter in Basic Sciences. Evidence of successful completion of a CCTC-49 approved baccalaureate-level cluster of courses in Speech and Language Sciences or Communicative 50 Disorders. This course of study must include 27 units of upper division undergraduate subject matter in 51 basic science/mathematics as outlined by CTC, plus an introductory course on speech-language services 52 that includes a minimum of 25 observation hours.

- CBEST Examination. Students must take the California basic Educational Skills Test (CBEST) prior to admission to the program. Students are urged to take this examination at the earliest possible time after deciding to pursue this Communication Sciences and Disorders Master's degree and Clinical Rehabilitative Services Credential in Language and Speech. CBEST must be passed before engaging in any practicum experiences.
  - Certificate of Clearance. Candidates must obtain a Certificate of Clearance from the Commission that verifies the candidate's personal identification prior to assuming field experience responsibilities. (Statutory basis: Education Code Section 44320(d) from the CCTC).
  - 6. *Prerequisite Courses*. Candidates must complete a minimum of 30 unit hours of a CCTC-approved baccalaureate-level sequence in Speech and Language Sciences or Communicative Disorders coursework, that includes EDSL 350 or it's equivalent and 27 additional subject matter unit hours. Prior to or concurrent with program admission, candidates also must complete EDUC 422. Prerequisite courses must be completed within five (5) years prior to beginning the Master's program, whether taken at Cal State San Marcos or taken as an equivalent course at another college or university.
    - a) EDSL 350 This course is an orientation to speech and language pathology as a career. Students participate in at least 25 observation hours that must be evidenced through a letter of verification through this course. Applicants from other institutions of higher education must evidence completion of an equivalent course and verify 25 observation hours through a letter of verification or an equivalent mechanism from their previous institution. Those who cannot evidence these 25 hours will be required to make up and verify the hours before engaging in any clinical practicum experiences.
      - b) EDUC 422 Before or concurrent with admission to the program, students must obtain competency in using a set of education-specific electronic tools by completing EDUC 422 or wavier request, and must have begun an electronic professional portfolio.

124	UCC has reviewed the new option for the Master of Arts in Education: Option in
126	Communicative Sciences and Disorders (75 units).
127	The option will fulfill the
128	• California Commission on Teacher Credentialing (CCTC) requirements for Clinical-
129	Rehabilitative Service Credential
130	• American Speech-Language Hearing Association (ASHA) requirements for
131	accreditation in Speech Language Pathology.
132	These credentials are requirements for employment in public schools as a Speech Language
133	Pathologist. In order to fulfill the CCTC & ASHA requirements extensive new curriculum had to
134	be developed and the UCC came to the conclusion that the originator has successfully
135	incorporated all requirements into the new option.
136	
137	<b>Conclusion:</b> The UCC has reviewed the sequence of classes for the new option and the proposed
138 139	curriculum for each of the new courses. UCC came to the conclusion that the new option is an important contribution to the curriculum of the California State University San Marcos. The
139	ability to educate speech language pathologists is important to satisfy the needs of local schools.
140	We thank the originator for the development of a large number of new courses and a promising
142	curriculum for the new option. The UCC has approved the curriculum and we support the

155	analysis of the impact of this program to the Academic Senate to guide Senators in their
156	consideration of this proposal.
157	
158	Program Demand: The demand for an Education Option in Communicative Sciences and
159	Disorders appears to be significant. Student placement can be in school or hospital settings and
160	this program expects to place most students in the school setting which has a very high demand
161	level. The program will run two cohorts of approximately 20-25 students each, with a five
162	semester sequence of courses. A new cohort will begin in the fourth semester of the previous
163	cohort.
164 165	<b>Pasaures Implications:</b> BI D's major concerns were the faculty workload with only two towards
165 166	<b>Resource Implications:</b> BLP's major concerns were the faculty workload with only two tenure- track faculty projected for the program start-up, student ability to take a 14-unit load in a 10-
167	week summer session, and the cost of delivering the program in summer.
168	week summer session, and the cost of derivering the program in summer.
100	

169 The option is a 75-unit program of study. The proposers clarified the ability to deliver the

- 170 program based on the sequencing of courses, and timing of the entrance of new cohorts into the
- 171 program. The overlap of cohorts [with units required in a semester] would be:
- 172

Cohort 1	F [17]	Sp [16]	Su [14]	F [15]	<mark>Sp [13]</mark>		
Cohort 2				F [17]	Sp [16]	Su [14]	F [15]

173

The 5<sup>th</sup> semester in Spring would be covered by clinical faculty, as 10 units are professional 174 175 practice with oversight by Speech-Language Pathologists in school and medical settings. There 176 is no cost associated with this supervisory task as the clinicians like the opportunity to train 177 students and have their assistance in managing caseload. The placement function would be 178 handled by present staff in COE, primarily for school sites at which the CoE already has existing 179 contracts. Only the Fall semester would have a heavy course delivery demand, facilitated by 180 adjunct coverage. A sufficient number of Ph.D. and MA level practitioners with expertise in core 181 content courses are available in the local area so the students will have exposure to multiple 182 instructors with a variety of perspectives.

183

184 The program is designed to meet the accreditation standards of the American Speech-Language

185 Hearing Association (ASHA). The accreditation standards are vague regarding the ratio of

186 tenure-track faculty, which depends on the design of the program. This would be determined 187 after the program submitted its application for accreditation.

188

189 The heavy student workload in a 10-week summer session [14 units—9 units coursework, 5 units

190 professional practice] are typical of comparison programs. CoE is committed to the cost of

summer delivery, facilitated by the anticipated phasing out of Special Ed, level 2 which has

summer sessions. The phasing out of another program also makes available faculty and staff.

193

194 Library Resources: Reference books for the initial start-up of library resources have already

been funded with a \$5,600 allocation. Because it is an interdisciplinary program, library journals

196 from other fields (e.g., cognitive science) are presently available. The CoE has committed to

197 support projected on-going program costs that can assist in library needs.

198

199 The BLP committee would like to express our appreciation to the originators of the proposal for

200 their collegiality and their quick responses to our many questions throughout the review process.

#### EXTENDED STUDIES ROLES AND RESPONSIBILITIES

#### 3 I. INTRODUCTION

The Extended Studies program at California State University San Marcos provides increased access to undergraduate, graduate, and continuing education and thereby contributes to the lifelong learning opportunity of students and community members, and to the continued health and economy of the communities served by the university.

As an educational unit of the university, Extended Studies is subject to the regulations of the State of California, the California State University, and CSU San Marcos. This document provides guidance for implementation of the applicable regulations and covers the following types of instruction.

- A. Courses that may be used to satisfy requirements for a degree awarded by the university ("university credit courses") these include:
  - 1). <u>Special session courses:</u> Courses listed in the university's catalog and offered in special sessions utilizing alternative times, locations, or modes of delivery. (Special Sessions);
  - 2). <u>Contract credit/Special session courses:</u> Courses carrying university credit, approved/established by an academic department and approved by the Academic Senate, but not listed in the university's catalog, which are designed primarily to address the needs of a specified client group or audience...(Contract Credit/Special Session);
  - 3). <u>Open University courses</u>: Courses offered to non-matriculated students on a space-available basis.-(Open University).
- B. Courses that may not be used to satisfy requirements for a degree awarded by the university (noncredit<u>courses</u>) these include, but are not limited to:
  - 1). Courses which lead to certification of particular skills.;
  - 2). Courses intended for professional development that award continuing education units\_;
  - 3). Courses which serve the intellectual and avocational interests of members of the community.
  - C. Courses that award university credit that may not be used to satisfy requirements for a degree awarded by the university (extension credit).

#### 40 II. UNIVERSITY CREDIT COURSES

A. Extended Studies courses and programs offered for university credit must have been approved by the CSUSM Academic Senate or the CSU statewide Academic Senate, the dean of Extended Studies, and the president or designee, and the appropriate college/library. These courses are part of the university's current curriculum, and can also be courses designated "Special Topics." The appropriate Form E or Form ET must be used to obtain the necessary approvals.

48 49 50 51		В.	Instructors who teach Extended Studies courses offered for university credit must be approved in advance and in writing by the department chair or program director of the appropriate discipline and the appropriate college/library dean each time a course is taught.
52 53 54 55		C.	Extended Studies will obtain student evaluations of each Extended Studies course offered for university credit and will provide copies to the instructor, the appropriate department chair or program director, and the appropriate college/library dean.
56 57 58 59 60 61 62		D.	Only non-matriculated students may enroll in courses available through the Extended Studies Open University program. Students who have been disenrolled from the university may enroll in Open University courses only with the prior permission of Enrollment Services and course instructor. Both matriculated and non-matriculated students, except those who are disenrolled from the university, may enroll in courses available through the Extended Studies Open University program.
63	III.	COUR	SES OFFERED WITH NON-DEGREE UNIVERSITY CREDIT
64 65 66 67 68 69 70 71 72		Α.	Extension credit provides non-degree units and allows CSUSM to offer a wider array of credit courses to a larger audience and have these units appear on a CSU transcript. These are typically professional advancement courses that are credit worthy, but not applicable to a degree or part of the standard CSUSM curriculum. These courses are developed to meet special needs of particular groups or communities, e.g. K-12 teachers; the extension credit that they confer denotes an investment of time and accomplishment comparable to that required in established university courses.
73   74   75 76   77		B.	Courses that would carry extension credit would be <u>are</u> numbered in a series outside of the <u>current other than those used for university</u> degree courses, <u>perhaps an 800/900/1000 series</u> , and carry the prefix of the corresponding CSUSM department. Extension credit courses would <u>are</u> not be listed in the academic catalog.
78 79 80 81		C.	All such courses and instructors would require the review and approval of the corresponding college/department, <u>in a manner</u> similar to what that which special session and/or special topics courses require.

#### 1 Minor in Visual Arts

1 2

11

The Visual Arts Minor is designed for students with a special interest in the visual arts who are not able to make the full commitment to the major (see the Visual Arts Option in the Visual and Performing Arts

5 Major). The minor will provide students with a strong background in visual arts including theory, history

6 and studio practice. Students will complete a select series of courses that will offer them an overview of

7 historical and current practices in art, intermediate skills in studio art, and basic skills in new

8 technologies.

#### 10 **Requirements**

12 Note: Courses used to satisfy requirements of the Minor may also be used to fulfill GE requirements.

Students may apply up to nine units of transfer credit toward the Minor. Students must earn a grade of C or better in each course for the Minor.

## 58 **<u>Review of the proposed Minor in Visual Arts</u>**

- 59 The University Curriculum Committee (UCC) has reviewed the P-Form for the proposed Minor
- 60 in Visual Arts. The proposed minor requires 21 units and combines existing courses of the
- 61 Department of Visual and Performing Arts into a new minor. It will give students an option to

62 concentrate their studies in this field without the necessity to pursue a major in the field of Visual

- 63 and Performing Arts.
- 64
- 65 **Conclusion:** UCC has reviewed the proposed curriculum for the new minor and approved the
- 66 proposed combination of courses. The UCC has the opinion the new minor is a valuable addition
- 67 to the existing programs offered by the Department of Visual and Performing Arts.

1		STUDENT GRADE APPEALS POLICY				
234	I.	Preamble				
$ \begin{array}{c} 1\\2\\3\\4\\5\\6\\7\\8\\9\\10\\11\\12\\13\\14\\15\\16\end{array} $		The Cal State San Marcos Student Grade Appeal Policy acknowledges the rights of students and faculty as expressed in "Joint Statement of Rights and Freedoms of Students" drafted by the American Association of University Professors, the United States National Student Association, the Association of American Colleges, the National Association of Student Personnel Administrators, and National Association of Women Deans and Counselors in 1967, the rights of all members of the campus as outlined in the Cal State San Marcos Academic Freedom Statement, the Cal State San Marcos Interim Student Rights and Responsibilities Policy and of faculty as expressed in Executive Order 792. Executive Order 792, p.5 states that "faculty have the sole right and responsibility to provide careful evaluation and timely assignment of appropriate grades" and that, "in the absence of compelling reasons, such as instructor or clerical error, prejudice or capriciousness, the grade assigned by the instructor of record is to be considered final." (p. 5).				
17	II.	Purpose				
18 19 20 21 22 23 24		The purpose of the Student Grade Appeal Policy and Procedures shall be to enable students to seek redress of complaints about grades (hereafter referred to as "grade appeals). A grade appeal arises when circumstances prevent assignment of an earned grade or cause an assigned grade to be questioned by a student <u>based on the criteria in Section VI C 1. (b) herein</u> . This procedure shall also be available for the resolution of grade appeals alleging inappropriate application to the student of any other rules or policies of CSU San Marcos. <sup>+</sup>				
25 26 27	III.	Terms and Definitions				
27 28 29 30 31		Throughout this document, the words, "shall," "will," and "must" refer to mandatory (required) actions. The words, "may" and "should" refer to discretionary actions (i.e., recommended or voluntary, but not required). The word "dean" refers to the dean or his/her designee. The word "principals" refers to the student appellant and the instructor respondent.				
32 33	IV.	Jurisdiction				
34 35 36 37 38 39 40		This policy applies solely to students' appeals of assigned grades. Separate grievance policies and procedures have been established for discrimination and harassment grievances. Students wishing to initiate a grievance against an administrator, faculty or staff member because of discrimination on the basis of sex, race, color, national origin, age, disability, veteran status, religion, or sexual orientation are advised to obtain written instructions on the filing of such grievances from the Office of Human Resources and Equal Opportunity or the Office of the Dean of Students.				
41 42 43 44 45		Separate policies and guidelines also exist for complaints involving Greek social service organizations or individual members of a Greek Organization. These policies and guidelines may be found in the Greek Handbook available in the Office of Student and Residential Life				
46 47	<u>₩.</u> V.	Membership				
47 48 49		A. Committee Structure				
49 50 51		Membership of the Student Grade Appeals Committee (SGAC) shall consist of:				

<sup>&</sup>lt;sup>1</sup>-Moved to Section V.B. ("Formal Process")

52 53 54 55		• Three students (two undergraduate, one graduate) and three student alternates to be named under procedures established by the Associated Students Incorporated. Students serving on this committee must be regular students in good standing, as determined under the same regulations imposed for Associated Student council members.				
56 57 58 59		• Four faculty members and four faculty member alternates selected by the Academic Senate. All faculty members of the committee and all of the faculty alternates must hold tenured appointments.				
60 61		• The Chair shall be elected yearly from the faculty membership of the committee.				
62 63 64	B.	Chair's Duties				
65 66 67 68 69 70 71 72 73		The Chair is non-voting except in cases of a tied vote. The Chair shall be the administrative officer of the committee. The duties of the office shall include arranging for appropriate times and places of committee meetings and hearings; informing committee members of the times and places of committee meetings or hearings which they are requested to attend and supplying them with a statement of alleged grievances; informing all other interested parties that an appeal is pending; securing and distributing to the committee written material appropriate for its consideration; arranging for the recording of committee proceedings; maintaining committee records; and informing in writing all interested parties of the committee.				
74 75	C.	Service of Alternates				
76 77 78 79		Alternates shall be called upon as necessary to fill permanent or temporary vacancies (see <u>S</u> section <del>IV C</del> <u>V</u> <u>E</u> , "Vacancies."). Alternates shall serve on the committee as full voting members for grade appeal grievances.				
80 81	D.	Terms of Service and Continuation				
82 83 84 85 86 87		The term of service on the Student Grade Appeals Committee shall run from June 1 to May 31. All committee members/ alternates shall serve two year staggered terms, from June to May, except for students who shall serve one year terms. Committee members may serve consecutive terms of service.				
87 88 89 90 91 92		The members who begin hearing an appeal shall continue as a panel for that appeal until it reaches resolution, unless a member is unable to continue or is no longer eligible to serve. In the event that a particular grade appeal extends beyond May 31, the members hearing that particular grade appeal shall continue with that appeal until the committee's decision is rendered.				
93 94	E.	Vacancies				
95 96 97 98 99		1. Permanent vacancies - When a permanent vacancy on the committee occurs mid-term, the Chair of the committee shall request a replacement by one of the alternates from the same constituency (students or faculty) as the original member. The replacement shall have full voting rights for the remaining term of office of the original committee member.				
100 101 102 103 104 105		2. Temporary vacancies - If a member of the committee is from the same immediate department or program or has a close personal relationship with the student making the appeal, that member shall not participate in the appeal process for that specific grievance. When, for good cause, a committee member cannot consider a particular grade appeal, or if the committee identifies a conflict of interest, an alternate, with full voting rights, shall be appointed to serve in his/her place for the specific grievance. The Chair of the				

106 107 108 109 110 111		committee shall request a temporary replacement by one of the alternates of the same constituency (students or faculty) as the original member. In addition, a student shall have the right to have one member of the committee replaced with an alternate member for any reason within two calendar days prior to the committee's first review of the appeal. The alternate member shall be selected by the Chair of the committee.
112		F. Quorum and Voting
113 114 115 116 117 118 119 120 121		The quorum for policy matters and organization meetings of the grade appeals committee shall be two-thirds of the <u>number of filled seats on the</u> committee. The SGAC majority for grade appeals shall require at least two faculty members voting in the majority employing distinct ballot forms for faculty and student members. Only members of the committee who have reviewed the documents submitted and heard all testimony elicited during the hearing on a grade appeal may vote on the grade appeal. Alternates do not vote on grade appeals unless taking the place of the primary member representing their decision.
122		G. Confidentiality
123 124 125 126		To protect all parties involved, all participants shall maintain confidentiality to the maximum extent possible at every level of the appeal process. A breach of confidentiality is a breach of ethics, code of conduct, and FERPA.
127 128 129 130 131 132 133		No member of the committee shall discuss personal and/or pertinent information relating to a specific grade appeal with any persons who are non-committee members except at the request of the committee as part of the hearing processes defined in this document. This shall not preclude notification of proper authorities by the Student Grade Appeal Committee in the event that the committee perceives the safety of any person or property to be in jeopardy.
133 134 135 136 137 138		No member of the committee shall discuss personal and/or pertinent information relating to a specific grievance with any of the principals throughout the course of the investigation and following the recommendation of the committee except at the request of the committee and/or at a hearing.
130 139 140 141 142 143 144 145		Communication Guidelines: All written documentation and recommendations relating to individual grade appeals shall be marked and handled "confidential," and are only for the use of those directly involved in the grade appeal (interested parties). All documents, tapes, etc., relevant to an individual grade appeal shall be appropriately maintained for three years in locked file drawers located in the Academic Senate Office and then shredded. Members of the committee shall not discuss the facts of any grade appeal through electronic mail.

If the above conditions have not been met, the Chair of the Student Grade Appeals Committee shall respond in writing to the complainant stating which condition(s) has not been met and terminating the appeal.

If the above conditions have been met, the Chair shall send written notice of receipt of a grade appeal within seven (7) calendar days to all parties involved in the informal process. The Chair shall also provide the instructor (the person responsible for assigning the student's grade) with a complete copy of documents submitted by the student, and request that the instructor provide a written response and relevant documentation, including the course syllabus and grade roster, to the committee within ten (10) calendar days.

If the instructor identified in the appeal cannot be contacted through reasonable efforts because he/she is no longer in residence or is on leave or vacation, the committee shall provide an additional notification period not exceeding one semester. If the instructor cannot be contacted by the end of one semester it is the responsibility of other qualified faculty to review the grade (CSU Executive Order 792, p.5).

6. Consideration of Grade Appeals

Upon review of documentation from the instructor and the student, the committee Chair shall establish and distribute to the principals a timeline for resolution of the appeal. If additional information is needed, the committee shall use appropriate means to collect relevant data. Any party within the University community who is contacted by the Student Grade Appeals Committee Chair for information relevant to a specific appeal shall cooperate and provide full disclosure of information. This may include, but is not limited to, requesting that the instructor(s) provide academic records such as grade roster, graded materials in his/her possession and other documents such as syllabi and assignments that may be pertinent to the appeal.

The SGAC may establish and consult with a panel of 2-3 faculty members knowledgeable about grading practices, teaching strategies, or classroom management. This panel of experts shall include at least one individual from the general academic discipline or area of the course in which the disputed grade(s) occurred.

- a. The SGAC shall select the panel from a pool of faculty willing to serve as consultants, submitted by the chairs, program directors, or center directors of appropriate academic units.
- b. The panel shall not include a faculty member objected to by either the student or faculty member involved in the dispute.
- c. The SGAC shall make its recommendation in the grade appeal based on information received during its fact-finding, including information provided by the panel of faculty.
- 7. Hearing Process

The committee shall attempt to make its recommendation on the basis of the documentation provided by the student, the instructor, and any other parties from whom it has requested information. If, by a majority vote, the committee determines a need for a hearing, the hearing process will proceed as follows:

The committee shall determine who will be involved in the hearing process.

319	
	• The committee may seek advice from a "panel of experts" from the appropriate area
320	as noted above.
321	• The committee may invite persons having information related to the grade appeal to
322	testify in the hearing.
323	
324	The committee Chair shall reserve the appropriate facility and notify all parties involved
325	of the hearing date(s) and location.
326	
327	The hearing shall be conducted according to the following standards:
328	
329	• The hearing is a fact-finding/information gathering proceeding, not a judicial
330	process.
331	• There shall be no confrontation or cross-examination of witnesses by instructor and
332	the student.
333	• Only the committee and those currently providing information shall be present
334	during that portion of the hearing.
335	• The Chair shall preside at the hearing.
336	• Only the committee members, including the Chair, shall ask questions.
337	• All hearings will be tape-recorded. Tape recordings will be available for review by
338	the student, the instructor, and committee members in a specially supervised place.
339	Recordings of hearings shall only be copied for Student Grade Appeal Committee

34		
35	RATIONALE:	The Academic Senate CSU 21st Century report from 2001 outlined various unmet core
36 37		and support needs at that time and from many years prior as well as the deleterious effects on CSU educational quality in the future of not restoring and augmenting the
38		pertinent resource budgets. Library funding shortfalls received due attention as a
39		component of this report, and the situation has generally deteriorated in the five or
40		more years since. CSU libraries and librarians have experienced greater difficulties in
41		giving quality support to faculty and students from undergraduate and graduate
42 43		programs across all departments and disciplines. Higher inflation rates for print and
43 44		online research materials have damaged purchasing power along with static or otherwise insufficient collection funding. From 1972 until 2004, CSU Statistical
45		Abstracts show a 39.5% decline in systemwide and campus expenditures for libraries
46		when adjusted for inflation. In 2002 the NCES Academic Library Survey listed total
47		CSU library expenditures per FTES at an average of \$356, or 42% below the \$619
48		figure for a group of 14 CPEC libraries. Again during the 1972-2004 period, overall
49 50		CSU library staffing decreased 53%. As of 2002 the NCES Academic Library Survey reports that our librarian/professional staff per 1000 FTES stood at 1.36 or 57%
51		lower than at CPEC libraries. Since the 1970's and since our 2001 21st Century
52		Report, the CSU overall has certainly experienced enrollment growth in numbers and
53		percentages that we might represent as almost the 180-degree opposite of the library
54		support declines outlined herein. While publication formats may have evolved
55		considerably over these decades, the need for traditional materials has not
56 57		disappeared in many disciplines even as efficient-but-expensive newer modes have grown popular in other subject areas. Furthermore, in many ways the rich
58		proliferation of research sources old and new has greatly magnified the dire social
59		need for librarians and colleagues to manage better our information resources and
60		more effectively teach their best critical use.

## APPROVED UNANIMOUSLY – January 18-19, 2007

#### **Resolution on**

#### Senate Representatives and University Service during Possible Job Actions

WHEREAS, The faculty of California State University San Marcos may be asked by the California Faculty Association to participate in job actions in support of a new Collective Bargaining Agreement between the California Faculty Association and the Trustees of the California State University; and,

WHEREAS, The Executive Committee of the Academic Senate, CSUSM, has voted to suspend its operations during any such job action; and,

WHEREAS, Many faculty members have been appointed to university committees, task forces, steering committees, etc., by the Academic Senate of California State University San Marcos and are therefore representatives of the faculty and the Academic Senate; now, therefore, be it

RESOLVED, That the Executive Committee of the Academic Senate CSUSM recommends to all faculty members who have been appointed by the Academic Senate CSUSM to university committees, task forces, steering committees, etc., that they honor the Executive Committee's decision and suspend their service during any possible job actions; and be it further

RESOLVED, That the Executive Committee of the Academic Senate CSUSM communicate this resolution to all faculty members, to the President and the President's Executive Council, and to the San Marcos Chapter of the California Faculty Association.

#### **Resolution on Professional Conduct during Possible Job Actions**

WHEREAS, The faculty of California State University San Marcos may be asked by the California Faculty Association to participate in job actions in support of a new Collective Bargaining Agreement between the California Faculty Association and the Trustees of the California State University; and,

WHEREAS, The Executive Committee of the Academic Senate, CSUSM recognizes that academic freedom, open discussion and diverse points of view are essential to the health and well being of all universities, including California State University San Marcos; and,

WHEREAS, Individual faculty members may come to different decisions about whether or not to support any job actions called for by the California Faculty Association; and,

WHEREAS, The Executive Committee of the Academic Senate CSUSM recognizes that the decision to support or not any possible job actions is a personal decision that individual faculty members will make based upon many considerations; and,

WHEREAS, The Executive Committee of the Academic Senate CSUSM recognizes the potential for rancor and disunity among faculty members who choose different paths regarding possible job actions; now, therefore, be it

RESOLVED, That on behalf of the ASCSUSM, the Executive Committee reaffirms its commitment to diversity of opinion and open debate among and between faculty members; and be it further

RESOLVED, That the Executive Committee of the Academic Senate CSUSM urges all faculty members to respect the individual decisions of their colleagues regarding possible job actions and most especially if those decisions differ from their own; and be it further

RESOLVED, That the Executive Committee of the Academic Senate CSUSM finds any attempt to punish or otherwise harm any faculty member as a result of their decision regarding possible job actions a serious breach of collegiality and reprehensible; and be it further

RESOLVED, That on behalf of the ASCSUSM, the Executive Committee requests that all faculty members, regardless of their stance on possible job actions, continue to treat each of their colleagues with the respect and openness that is a hallmark of CSUSM.
