Special Education Inclusion: Consistent with the intent to offer a seamless teaching credential in the College of Education, this course will introduce the collaborative infusion of special education competencies that reflect inclusive educational practices. Students will demonstrate a knowledge of laws and dispositions that relate to special education through a variety of activities such as the viewing and analysis of the video F.A.T. City, reading and analysis of "School Law & Diversity," and/or *Creating an Inclusive School*.

Students with Disabilities Requiring Reasonable Accommodations: Students are approved for services through the Disabled Student Services Office (DSS). This office is located in Craven Hall 5205, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

College of Education Attendance Policy: Due to the dynamic and interactive nature of courses in the College of Education, all students are expected to attend all classes and participate actively. Absences and late arrivals/early departures will affect the final grade. A minimum grade of C+ is required in Educ 350 to qualify as prerequisite for admission to the Cal State San Marcos teacher credential program. COE attendance policy states, "At a minimum, students must attend 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements." Should students have extenuating circumstances, please contact the instructor as soon as possible. In this section of Educ 350, the instructor has adopted this additional policy: If you miss three class sessions, you cannot receive a grade of A or A -; if you miss four class sessions, you cannot receive a grade of B+ or B.

Credential Program Recommendations: As one of several evaluation methods, Educ 350 course instructors are asked for feedback concerning credential candidates who are applying for programs at Cal State San Marcos. Keep in mind that your professionalism and hard work in this class not only affect your course grade, but also indicate your readiness for a credential program.

Field Work: In addition to in-class work, assigned readings and projects, students will participate in forty-five (45) hours of supervised fieldwork assignments in a variety of public school settings. Approximately half of your time should be spent in one teacher's classroom, and the remainder of the time should be distributed among other classrooms. A recommendation (usually from the classroom teacher where most of the fieldwork is done), as well as a Field Experience Recommendation Form with documented hours and teacher verification, are requirements for admission to the Cal State San Marcos Teacher Credentialing programs.

Use of Technology: Students are expected to demonstrate competency in the use of various forms of technology (i.e. word processing, electronic mail, iLEARN/WebCT, use of the Internet, and/or multimedia presentations). Specific requirements for course assignments with regard to technology are at the discretion of the instructor. Keep a digital copy of all assignments for use in your teaching portfolio. Details will be given in class.

Teaching Performance Expectation (TPE) for EDUC 350: A primary goal of Educ 350 is to begin the process of developing teacher candidates to become professional educators. The following TPE of the California Commission for Teacher Credentialing is expected to be met during this course:

TPE 12: Professional, Legal and Ethical Obligations

Candidates are aware of their own personal values and biases and recognize ways in which these values and biases affect the teaching and learning of students. They resist racism and acts of intolerance. Candidates appropriately manage their professional time spent in teaching responsibilities to ensure that academic goals are met.

Candidates for a Teaching Credential understand and honor legal and professional obligations to protect the privacy, health, and safety of students, families, and other school professionals. They are aware of and act in accordance with ethical considerations and they model ethical behaviors for students. Candidates understand and honor all laws relating to professional misconduct and moral fitness.

Teaching Performance Assessment for Developing as a Professional Educator

The successful completion of the personal philosophy assignment is a requirement for completion of this course and is a component of partially meeting the TPE described above. This statement will be used for assessment both in the course and at completion of the College of Education program. Retain an electronic copy of your statement for submission for your portfolio at the completion of your teacher education program.

Class Discussions and Participation: Students will engage in active learning each class session, and will be expected to actively participate.

- Do you participate in class discussions productively, sharing your knowledge and understandings?
- Do you interact productively with your peers, taking on a variety of roles (leader, follower, etc.)?
- Do you contribute appropriately to group work—do you “do your share”?
- Are you able to accept others' opinions?
- Are you supportive of others' ideas?
- Do you support your peers during their presentations?
- Can you monitor and adjust your participation to allow for others' ideas as well as your own to be heard?

Course Requirements: Teacher education is a professional preparation program. It is expected that students will come to class prepared to discuss the readings, submit required assignments, and participate in class activities. Students are expected to adhere to academic honesty and integrity, standards of dependability, confidentiality and writing achievement. Because it is important for teachers to be able to effectively communicate their ideas to students, parents, colleagues, and administrators, writing that is original, clear and error-free is a priority for the College of Education. It is expected that work will be turned in on time. Please discuss individual issues with the instructor. Points will be deducted if assignments are submitted late (10% penalty per day late; no credit will be awarded if the assignment is one week late).
