Course Assignment Descriptions

Note: The following is a concise explanation of tentative assignments for this course. Detailed instructions and rubrics for course assignments will be provided in class. If there is a strong possibility that the instructor needs to modify some of these assignments to meet the needs of the class, all students will be kept aware of any changes well in advance of any due date.

1. Professional Disposition: Attendance, Punctuality, & Class Participation 10 points
The purpose is for students to be well prepared for course sessions and participate in activities and assignments. These points will be awarded at the instructor's discretion. At a minimum, students must attend more than 80% of class time, or s/he may not receive a passing grade for the course. Should the student have extenuating circumstances, s/he should contact the instructor as soon as possible. Notification of absence does not warrant an excuse.

2. Two Personal Reflections, Poem, and Three Reading Journals Personal Reflections: The purpose of these writings are to provide background information, feedback or progress on your experiences with ELLs, as well as a context for our class topics & discussions. Provide an honest description, explain your point of view, and pose questions related to the work you are doing related to second language learners. Students will also create a poem in class during a lesson demonstration. More explicit directions with a rubric for grading your work will be shared in class. Reflections should be typed, double-spaced, maximum of 1 page in length. Poem should be typed and submitted with the first reflection. Work will be submitted to the instructor in class on the due date. Late reflections will be marked down.

Reading Reflections: The purpose of this assignment is to reflect on your readings prior to class and bring notes for group discussions. The *SIOP* Textbook has 11 chapters. You will read assigned chapters prior to class discussions; however, you only need to write a one page reading reflection to 3 of the assigned readings, your choice. In the reading journals your will write the answer to one of the end of chapter questions (one paragraph) and also write a commentary to the teaching scenarios presented in the chapter (one paragraph). Journals

should be typed, double-spaced, maximum of 1 page in length. Work will be submitted to the instructor in class on the due dates. Late reflections will be marked down.

3. ELD / SDAIE Lesson Observation (field work)

15 points

The purpose of this assignment is for you to see sheltered English instruction in action and to observe the strategies teachers implement during instruction, as well as the engagement and interaction of all the students.

Part 1 – You will *observe* an ELD or SDAIE lesson at a school site. You will collect and document evidence of any instructional modifications made during the lesson to provide comprehensible input, build background knowledge, scaffold instruction, address content & language objectives, build vocabulary, adapt the materials/curriculum, and provide student interaction for English language learners (ELLs) in the class. Please copy & use the checklist in your *SIOP Textbook* on pages 228-230 to guide you as you observe the lesson.

Part 2 - In your *write-up* explain your observations and discuss how (no lesson is perfect) you would modify the lesson and/or activities observed in light of the information and knowledge gained in the course and your *SIOP Textbook*. Please, structure your write-up as follows:

- (1) use SIOP checklist during your observation and attach to your write-up
- (2) state program (bilingual, sheltered inst., structured immersion, etc.), , grade level, & content/subject
- (3) describe how teacher used SDAIE strategies during the lesson
- (4) describe how students were engaged and used second language in the lesson/activities
- (5) explain if the lesson observed used effective SDAIE strategies, or explain how you would modify the lesson/activities to better serve the needs of the ELLs
- (6) proofread: spelling, grammar & punctuation; length 2-3 pages maximum
- (7) submit your observation tool and write up on due date to instructor in class

More information on the criteria and expectations of this assignment will be explained in detail in class. A rubric will be shared for scoring this assignment. Late work will be marked down.

4. ELL/Immigrant Interview

15 Points

The purpose of this assignment is to better understand the life of an English language learner and/or immigrant living in our country. You will interview an individual who has learned or is learning English as a second language. This person can be a student or someone you know (co-worker, neighbor, hairdresser, friend, doctor, landscaper, mechanic, librarian, your child's friend, etc.) Through the interview process, you will find out how the person acquired/is acquiring English and any challenges/successes faced by immigrants as they learn a new language and culture. Guideline for the interview questions and a rubric for scoring this assignment will be shared in class. Assignment will be submitted in class; length 2-3 pages maximum. More information on the criteria and expectations of this assignment will be explained in detail in class. A rubric will be shared for scoring this assignment. Late work will be marked down.

5. Multicultural SDAIE Unit Plan

25 Points

IMPORTANT: This is the Critical Assessment Task that will be submitted with your TPEs 7 & 15 on TaskStream at the end of the course.

The purpose of this assignment is to apply the Specially Designed Academic Instruction in English (SDAIE) methodologies and principles discussed in class and explained in your *SIOP* Textbook by creating a Multicultural SDAIE "unit plan" appropriate for English language learners at various proficiency levels (*you must address at least 3 ELD levels*). You may work in a group of 2-4 students to create the unit and calendar. Together you will design a 4 week interdisciplinary approach for an in depth thematic study of multicultural lessons/activities. Each group member will then write out his/her own SDAIE lesson plans as part of the "unit" for his/her

content area. The "unit" is defined as a one week (5 day) development of lessons/activities, which includes one complete SDAIE lesson plan for Monday as stated below, followed by descriptions of activities, differentiated instruction, and assessments related to the main lesson for the following days of the week (Tuesday-Friday). Reminder: SDAIE strategies are used to teach English to second language learners through the use of content instruction. Our goal is to teach both, English & content. **Technical Assistance**: we will dedicate part of our class sessions to work on the unit plan in your groups and apply what you have learned from the readings, class discussions, and SDAIE observation lesson. As part of your professional disposition grade for the class, you are expected to attend all working sessions and actively participate. Please, bring your *SIOP* Textbook, notes/drafts, standards, and multicultural resources in order to use class time effectively. **This assignment must address TPEs 7 & 15.**

IMPORTANT: For Middle Level cohort students this assignment is in combination with your EDMI 512 course with Daniels/Ingalls. For Special Education students joining our class this spring, this assignment will only cover the objectives and requirements for this EDMI 555, not in combination with any other course. Please, note due dates for this assignment are different for each of the cohorts on the syllabus. We will discuss in class.

Multicultural SDAIE Unit Plan must include the following:

1. Calendar

Group will develop a monthly calendar of lessons and activities to incorporate their subject area instruction in an interdisciplinary thematic approach. A well coordinated calendar will develop a clear plan of topics/activities for each subject area with an integration of assessments.

2. Main Lessons

Each member will write up a main lesson for his/her content area unit and a statement on how you met your TPEs with this SDAIE Unit Plan.

3. Follow-up Lessons

Each member will write out 4 short follow-up lessons for the main lesson of the unit (SDAIE strategies, activities, differentiated instruction, and assessments related to the 3 levels of ELD).

4. Multicultural Resources

Each member will collect multicultural resources (books, websites, text sets, etc.), to use in their SDAIE unit plan based on the theme for social justice and equity. **Resources must address TPEs 7 and 15.** The following questions should help guide your selection of multicultural resources:

- Do resources provide ELLs access to the core curriculum & ELD language objectives?
- Do resources help scaffold instruction to attain the content standard in an equitable classroom?
- Do resources promote social justice and equity?
- Do resources help your students see themselves & feel as if they are part of the culture of the school?
- How well does each resource relate/connect to the multicultural theme, content standards, and to the other resources selected for the unit?

5. Presentations

Each group will have 15-20 minutes to present an activity from their SDAIE Unit Plan. <u>Presentation is vivid, engaging, and incorporates use of visual aids</u>. Unit plans will be submitted in a well organized and bound format to the instructor the day of your presentation. Poster/Table session with your materials will be part of your presentation.

More information on the criteria and expectations of this assignment will be explained in detail in class. A rubric will be shared for scoring this assignment. Late work will be marked down.

6. TPEs 7 & 15 Reflective Statements and Artifacts

10 points

This course requires that you address the TPEs listed above for your *TaskStream Electronic Portfolio*. Write a cogent reflective essay of approximately 250-350 words. The reflection provides evidence that you have met TPEs 7 & 15. The TPEs are to be submitted, responded to, and archived via TaskStream with your <u>Multicultural SDAIE Lesson Plan</u> as the main artifact/attachment (Critical Assessment Task). In addition to the unit plan, you may attach other artifacts which also support your TPEs.

Each TPE reflective statement must include a paragraph for each of the following (COE format):

- a <u>description</u> of the teacher candidate's learning with respect to the specific TPE being addressed (refer to *TPEs-at-a-Glance with Salient Features* <u>http://lynx.csusm.edu/coe/fieldExperience/index.asp</u>)
- 2. an analysis of how the attached artifact is evidence of that learning
- 3. a <u>reflection</u> describing personal significance of this learning, next steps in the journey toward continuing to meet this TPE, and how it will make you a highly qualified teacher

Please be succinct in your writing; more is NOT better. State your ideas clearly and keep them grounded in the evidence of your learning as represented by your artifacts. When you submit your TPE responses, you will receive feedback from the instructor that asks for revisions or says that you are "done." You will not get full credit for this assignment if you are asked to revise and you do not. Please continue to check your Taskstream portfolio until the instructor says you are done with each TPE response for the course. More information on the criteria and expectations of this assignment will be explained in detail in class. A rubric will be shared for scoring this assignment. Late work will be marked down.
