### **Authorization to Teach English Learners**

This credential program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the credential program, as well as additional coursework. Candidates successfully completing this program receive a credential with authorization to teach English learners. *(Approved by CCTC in SB 2042 Program Standards, August 02)*

## **STUDENT LEARNING OUTCOMES**

### **Teacher Performance Expectation (TPE) Competencies**

The course objectives, assignments, and assessments have been aligned with the CTC standards for the Single Subject, Multiple Subject, Special Education, etc. This course is designed to help teachers seeking a California teaching credential to develop the skills, knowledge, and attitudes necessary to assist schools and district in implementing effective programs for all students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. You will be required to formally address the following TPEs in this course:

#### **TPE 7 - Teaching English Learners**

- Applies pedagogical theories, principles and instructional practices in English Language Development in accord with state adopted standards
- Successfully draws information about students' backgrounds and prior learning
- Is able to assess levels of literacy in English and students' first language
- Analyzes student errors in oral and written language in order to understand how to differentiate instruction
- Designs lesson to make learning strategies explicit

#### **TPE 15 - Social Justice**

- Values and uses socially equitable teaching, learning, and schooling in a variety of organizational settings
- Incorporates pluralism and divergent perspectives on educating diverse students
- Strives to democratize public education to achieve social justice and equity

### **California Teacher Performance Assessment (CalTPA)**

Beginning July 1, 2008 all California credential candidates must successfully complete a state-approved system of teacher performance assessment (TPA), to be embedded in the credential program of preparation. At CSUSM this assessment system is called the CalTPA or the TPA for short.

To assist your successful completion of the TPA, a series of informational seminars are offered over the course of the program. TPA related questions and logistical concerns are to be addressed during the seminars. Your attendance to TPA seminars will greatly contribute to your success on the assessment.

Additionally, SoE classes use common pedagogical language, lesson plans (lesson designs), and unit plans (unit designs) in order to support and ensure your success on the TPA and more importantly in your credential program.

The CalTPA Candidate Handbook, TPA seminar schedule, and other TPA support materials can be found on the SoE website: <http://www.csusm.edu/education/CalTPA/ProgramMaterialsTPA.html>

## GENERAL CONSIDERATIONS

### Assessment of Professional Dispositions

Assessing a candidate's dispositions within a professional preparation program is recognition that teaching and working with learners of all ages requires not only specific content knowledge and pedagogical skills, but positive attitudes about multiple dimensions of the profession. The School of Education has identified six dispositions – social justice and equity, collaboration, critical thinking, professional ethics, reflective teaching and learning, and life-long learning—and developed an assessment rubric. For each dispositional element, there are three levels of performance - *unacceptable*, *initial target*, and *advanced target*. The description and rubric for the three levels of performance offer measurable behaviors and examples.

The assessment is designed to provide candidates with ongoing feedback for their growth in professional dispositions and includes a self-assessment by the candidate. The dispositions and rubric are presented, explained and assessed in one or more designated courses in each program as well as in clinical practice. Based upon assessment feedback candidates will compose a reflection that becomes part of the candidate's Teaching Performance Expectation portfolio. Candidates are expected to meet the level of *initial target* during the program.

### School of Education Attendance Policy

Due to the dynamic and interactive nature of courses in the School of Education, all candidates are expected to attend all classes and participate actively. At a minimum, candidates must attend more than 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements. Should the candidate have extenuating circumstances, s/he should contact the instructor as soon as possible. (*Adopted by the COE Governance Community, December, 1997*).

Instructor application of attendance policy: Students are encouraged and expected to attend all sessions during the course, however, since we all have unforeseeable circumstances, one partial absence will be excused without penalty. For each additional absence, there will be a reduction of 40% in this grade category. In regards to partially missed sessions, for every 30 minutes that a student is not in class, their grade in this category will be reduced by 20%. Additionally, if you miss more than two class sessions, (this includes late arrivals and departures), you cannot pass the class. Please remember to sign in for each class session. Students missing more than one class session cannot earn an A or A-. Students missing more than two class sessions cannot earn a B or B+. Be cognizant of punctuality, since arriving late or leaving early by more than 20 minutes counts as an absence. Illness and emergencies are considered on a case-by-case basis. However, notifying the instructor does not constitute an excuse. All assignments must be turned in on due date even in case of an absence. Unless extraordinary circumstances are made known, this is not negotiable.

### Students with Disabilities Requiring Reasonable Accommodations

Candidates with disabilities who require reasonable accommodations must be approved for services by providing appropriate and recent documentation to the Office of Disable Student Services (DSS). This office is located in Craven Hall 4300, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Candidates authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

### All University Writing Requirement

The writing requirements for this class will be met as described in the assignments. Every course at the university, including this one must have a writing requirement of at least 2500 words.

### **CSUSM Academic Honesty Policy**

“Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral presentation assignments must be original work. All ideas/materials that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with quotation marks.

Students are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor’s attention. The instructor reserves the right to discipline any student for academic dishonesty in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.”

Incidents of Academic Dishonesty will be reported to the Dean of Students. Sanctions at the University level may include suspension or expulsion from the University.

#### **Plagiarism:**

As an educator, it is expected that each candidate will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. If you are in doubt about whether your work is paraphrased or plagiarized see the Plagiarism Prevention for Students website <http://library.csusm.edu/plagiarism/index.html>. If there are questions about academic honesty, please consult the University catalog.

#### **Use of Technology**

Candidates are expected to demonstrate competency in the use of various forms of technology (i.e. word processing, electronic mail, Moodle, use of the Internet, and/or multimedia presentations). Specific requirements for course assignments with regard to technology are at the discretion of the instructor. Keep a digital copy of all assignments for use in your teaching portfolio. All assignments will be submitted online, and some will be submitted in hard copy as well. Details will be given in class.

#### **Electronic Communication Protocol**

Electronic correspondence is a part of your professional interactions. If you need to contact the instructor, e-mail is often the easiest way to do so. It is my intention to respond to all received e-mails in a timely manner. Please be reminded that e-mail and on-line discussions are a very specific form of communication, with their own nuances and etiquette. For instance, electronic messages sent in all upper case (or lower case) letters, major typos, or slang, often communicate more than the sender originally intended. With that said, please be mindful of all e-mail and on-line discussion messages you send to your colleagues, to faculty members in the School of Education, or to persons within the greater educational community. All electronic messages should be crafted with professionalism and care.

Things to consider:

- Would I say in person what this electronic message specifically says?
- How could this message be misconstrued?
- Does this message represent my highest self?
- Am I sending this electronic message to avoid a face-to-face conversation?

In addition, if there is ever a concern with an electronic message sent to you, please talk with the author in person in order to correct any confusion.

## **COURSE REQUIREMENTS**

### **Assignments**

NOTE: Full assignment guidelines can be found on Cougar Courses. Rubrics for assignments can be found in this syllabus.

#### **Peer Teaching (14 points)**

You are required to sign up with a peer-teaching group. Your group will be responsible for teaching your classmates the assigned material in one of your textbooks for one session of the course. Groups will be formed on the first day of class. Each group should have three members. All group members are responsible for reading and analyzing a specific chapter of the textbook. Your group will condense the information from your assigned chapter in such a way as to make the content assessable to your classmates. You will provide a 15-20 minute discussion that is interactive and should engage the class and allow us to examine the material in a meaningful way that promotes critical thinking and varied perspectives. You may also share additional resources found related to the topics. Due date: On going

#### **Multicultural Book & Multimedia Tool Presentation (10 points)**

Select and present a multicultural book and a multicultural website/app/multimedia tool that represent the heritage, culture, language or social justice issues pertaining to students in K-8 education. This culturally responsive literature/media tool is essential to reaching all students, to introduce a lesson, or augment a topic (ie., immigration, diversity, traditions, customs, family, etc.) or a resource to you as an educator. It would be great if the book and/or media site is a bilingual resource. You will bring the book to class and show us the website/multimedia tool by making a short presentation on how you would use them in your class and the type of activities, that would stem from ELD Standards, that you could do with these resources to teach about a theme/content and elicit language development. Our CSUSM library has a wonderful children's library with many bilingual books at the Barahona Center on the 5<sup>th</sup> floor. Examples will be provided in class. Students will sign-up for a 10 minute presentation. Presentations will be ongoing throughout the semester.

#### **English Learner Questionnaire – Learning About Your English Learners (10 points)**

In class, students will work in groups to write lists of questions to ascertain information about their English Learners (ELs) in the following areas: linguistic background; academic language abilities, content knowledge, and skills; physical, social and emotional development; cultural and health considerations; and interests and aspirations. From these lists, each student will create a questionnaire that can be administered to his/her ELs. Try to think of questions that elicits language from your EL students, not just "yes" or "no" answers. Think about the language proficiency of your students. Indicate the grade level and possible PLD level of the students. You may add directions, introduction, or decorate it with border or clip art to make it attractive to your students (optional).

You will administer the questionnaire to an EL student. You will reflect on your questions & student responses. What did you find valuable about this process? How would you improve your questionnaire? How did you elicit information to help you plan for instruction and get to know your EL students better? After administering your questionnaire to an EL student, upload your questionnaire with a paragraph reflection on our Cougar Course by the due date. Share your findings in class. This assignment is aligned to the TPAs.

### **ELD / Sheltered Instruction Lesson Observation (10 points)**

For this assignment you will observe an English Language Development or Sheltered Instruction [Specially Designed Academic Instruction in English (SDAIE) or Sheltered Instruction Observation Protocol (SIOP)] lesson at your student teaching school site or online. Your observation can be in any classroom with English Learners (ELD, SDAIE / Sheltered, or “mainstream”). You will first predict (hypothesize) what SIOP strategies you believe you will be observing during the lesson. Your observation write-up should include a description of the classroom, the SIOP techniques the teacher used, and how the students interacted with the lesson and peers. You will use the SIOP Protocol located in your textbook as a checklist (data collection) and guideline for what to look for in an effective lesson for English Learners. In your write-up, you will also discuss your hypothesis about the strategies and the results. Then think of how (if necessary) you would modify the lesson/activity observed in light of the information and knowledge gained in the course. Submit an electronic copy of the lesson observation to our Cougar Course (2 pages maximum). Share your findings in class.

### **TPE 15 – Action Plan / Reflective Statement (10 points)**

In this course, you are specifically responsible for demonstrating that you have met TPE 15: Social Justice and Equity in your coursework. Each student will create a personalized diversity / social justice action plan designed specifically for his/her English learners and/or their parents. Your plan will discuss how you, as a future teacher of English Learners, will address an issue of diversity, social justice and/or equity in your school classroom. Your plan will include the following; identifying / defining the issue you have chosen to address, a description of the English Learners and/or parents your plan is designed for, a reflection of the reasons you chose the issue, and a description of the personalized action plan (specific activities) you have created. Your action plan and reflective statement **MUST** reference TPE 15 so that you are demonstrating how you have met the TPE through this assignment. Post your final TPE 15 – Action Plan / Reflective Statement to our Cougar Course on due date.

### **Moodle Tasks (8 points)**

Two class sessions will be partially on-line. Moodle tasks should take about the equivalent of class time. You will synthesize the information from the webinar links and readings on Cougar Course. Please refer to the Cougar Course shell for the assignments that will be posted under the corresponding Moodle date. Each Moodle task is worth 4 points toward your final grade.

### **Sheltered Instruction (SDAIE/SIOP) / Multicultural Thematic Unit/Lesson Plan (25 points)**

Applying the Sheltered Instruction [Specially Designed Academic Instruction in English (SDAIE) or Sheltered Instruction Observation Protocol (SIOP)] methodologies and principles you have learned in class, you will create a SDAIE/SIOP lesson plan that includes an accurate assessment plan, instructional strategies, and interactive activities that are appropriate for English Learners at various proficiency levels. You will write and present a lesson plan that clearly delineates how every student will be a successful learner by providing universal access to diverse students (e.g., gifted, English Learners, special needs, poor readers, non-readers). This is a group task (4-5 students) and members will need to coordinate unit lessons around a central theme.

In addition, you will have the opportunity to collect multicultural resources (books, websites, articles, videos, apps, etc.), that are rooted in multicultural education / social justice and equity for students. The term “multicultural” includes the following categories; race or ethnicity, gender, religion, sexual orientation, socioeconomic status, age, and physical or mental ability and language.

During several class sessions, students will have the opportunity to work on their lesson plan both individually and in small groups by applying what they have learned from the readings, class discussions, and their classroom experiences. Detailed information on assignments will be shared in class. Students will have the opportunity to present their Multicultural Unit Plan & Resources in a Poster Session Format. All unit plans for your group will be submitted in a notebook the day of the MC poster session.

**Attendance, Participation, and Professional Disposition (13 points)**

First is the expectation that you will attend all class sessions prepared to actively participate in class activities, group and individual sharing, and discussions on various topics and assigned reading. Please see the guidelines for the School of Education Attendance Policy and the attendance requirements for this course on page 4 of this syllabus. Professional, credentialed educators are evaluated on “performance of non-instructional duties and responsibilities” by their administrators. Punctuality, attendance, collaboration with colleagues, and professionalism fall under this category. Your professional disposition is related to how you conduct yourself in class and at a school site. Please communicate any attendance issues directly with the instructor.

**Electronic Submissions of Assignments**

This course is mostly paperless but all assignments must be printed and handed to the teacher on the due date.. Assignments must also be turned into the Moodle shell (except the final Thematic Unit plan) on time. Points will be deducted for late submissions as the work you do is essential to the discussions conducted in this course. Make sure you turn in the assignments in Word, 12 font, in Arial.

**Grading Standards**

**Grading Standards**

All students are expected to participate in class activities and demonstrate reflective learning. It is important that students are well prepared for course sessions by completing the readings and assignments scheduled before the class meeting. Assignments should be typed and double-spaced. Students who wish to revise an assignment must negotiate the requirements of the revision with the instructor. It is expected that work will be turned in on time. Please discuss individual issues with the instructor. **Points will be deducted if assignments are submitted late (10% penalty per day late; no credit will be awarded if the assignment is one week late).**
