## Multicultural Literature Resources / Lesson Plans

20 points

With another person, you will have the opportunity to collect multicultural literacy resources and develop lesson plans that will address appropriate literature selections reflecting multicultural perspectives for middle school students. This assignment must address TPEs 4 and 7.

The required elements of the assignment are:

1. With your partner, choose **six** multicultural resources that address appropriate proficiency and content area knowledge for middle school students.
2. For each selection, you will write a brief (one paragraph) annotated bibliography encompassing:
  - a. Appropriate grade level
  - b. Appropriate ELD proficiency level(s)
  - c. Appropriate content area(s)
  - d. Description of the story/text
3. At least **two** of the books must be bilingual (English and another language) with a brief discussion of how “primary language support” will be incorporated into your curriculum (to be included in the annotated bibliography).
4. With your partner, submit a lesson plan that clearly delineates how every student will be a successful learner by providing universal access to diverse students (e.g., gifted, English learners, special needs, non-readers, poor readers).

### Poster Sessions or Presentations (10-20 minutes each)

Students will decide if they want to present their resources/lesson plans to the class or conduct poster sessions. For poster sessions, tables will be set up to provide space for the groups to present/display their Multicultural Literature Selections and lesson plans.

**Note:** Dr. Alice Quioco has developed an excellent website with a bibliography of children’s literature and multicultural books that could be a great resource for you (<http://www.csusm.edu/Quiocho>).

### SDAIE Unit Plans

**25 points**

Applying the SDAIE methodologies and principles discussed in class, create a SDAIE “unit plan” appropriate for English learners at various proficiency levels. Each lesson in the unit should contain the following:

1. Grade level, Content standard(s) / objectives, ELD standard(s) / objectives, requisite background information (i.e. Who are your students? What are your English learners’ proficiency levels? What do your students need to know prior to the lesson?) Materials / resources necessary for the lesson.
2. A plan for assessment
  - How will your students demonstrate mastery of the content and language standards/objectives?
  - What varied authentic products will be produced?
  - What multi-level assessment criteria will be used?
  - What different levels of mastery will be accepted?
3. Vocabulary and grammatical structures (if applicable) to be learned or reinforced in the lesson – how will you make vocabulary development part of the lesson?
4. How do ALL your students have access to the content you are presenting?
  - Do the activities you have designed for the lesson support the content and ELD standards you have selected?
  - What SDAIE strategies are you using to make the content accessible to all your students?
  - Do the lesson strategies incorporate group collaboration, cooperative learning activities, peer assistance, or other work-group techniques?
  - Does the lesson incorporate the language and culture of language minority students?
  - Do all students have access to academic language?

5. How will you ensure that your lesson provides equitable outcomes for ALL your students (from diverse linguistic, cultural, social and economic backgrounds)?

You may work in a group of 2-4 students. During several class sessions, students will have the opportunity to work on their unit plan by applying what they have learned from the readings, class discussions, and their classroom experiences.

***This assignment must address TPEs 4, 7 and 15 (see rubric).***
