COURSE REQUIREMENTS

College of Education Attendance Policy: Due to the dynamic and interactive nature of courses in the College of Education, all students are expected to attend all classes and participate actively. Absences and late arrivals/early departures will affect the final grade. The COE attendance policy states, "At a minimum, students must attend 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements." (*Adopted by the CE Governance Community, December, 1997*)

In this section of EDMS 522, the following attendance policy will apply: One class session may be missed without penalty to your grade. Each additional missed session will drop your final grade by 1/3 grade point (A to A-, A- to B+, etc.). If you miss four or more class sessions, you will receive an F.

Illness and emergency circumstances will be considered/negotiated on a case-by-case basis.

These measures should not be considered punitive, as students are expected to establish appropriate personal, academic and career-ladder priorities. Therefore these measures should be viewed as taking appropriate individual responsibility for one's own learning in a democratic, collaborative and reciprocal-learning. Should students have extenuating circumstances, please contact the instructor as soon as possible.

Student Participation

The course deals with complex material processed in a variety of ways. Structured interactions, group processes, oral presentations, guided discussion of readings, and self-disclosure exercises are the norm. **Students are expected to have read assigned materials by the date indicated in the syllabus, and should be prepared to discuss readings individually or in variously structured groups.** The degree of your engagement in these processes forms the basis for points assigned. Due to the fast paced and highly interactive nature of the course, regular attendance and full participation are expected: teaching and learning is difficult (if not impossible) if one is not present for and engaged in the process.

Unique Course Requirements: **TPE Reflective Writing**

This course requires you to address TPE 3 and TPE 8 by completing course assignments. Completion of the course assignments will include submitting them in the appropriate format to your electronic portfolio. Assessment of each TPE is directly related to the assessment of your course assignments. You write summary reflections to be submitted, responded to, and archived via Task Stream. When the reflection is finalized, it will become a permanent record in your Task Stream Portfolio. Return to the TPE's at other points in your program to make modifications as your understanding deepens.

The following link will take you to the CSUSM COE website where you can get help creating your electronic portfolio: <http://lynx.csusm.edu/coe/eportfolio/index.asp>

This following is the Task Stream home page link where you will register for Task Stream and return to when working on your electronic portfolio: <http://www.taskstream.com>

Teacher Performance Expectations (TPE) Competencies

This course is designed to help teachers seeking the Multiple Subjects Credential to develop the skills, knowledge, and attitudes necessary to assist schools and districts in implementing effective programs for students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. The following TPE's are primarily addressed in this course:

Primary Emphasis

TPE 3-Interpretation and Use of Assessments

TPE 8-Learning About Students

California Teacher Performance Assessment (CalTPA)

Beginning July 1, 2008 all California credential candidates must successfully complete a state-approved system of teacher performance assessment (TPA), to be embedded in the credential program of preparation. At CSUSM this assessment system is called the CalTPA or the TPA for short.

To assist your successful completion of the TPA a series of informational seminars are offered over the course of the program. TPA related questions and logistical concerns are to be addressed during the seminars. Your attendance to TPA seminars will greatly contribute to your success on the assessment.

Additionally, COE classes use common pedagogical language, lesson plans (lesson designs), and unit plans (unit designs) in order to support and ensure your success on the TPA and more importantly in your credential program.

The CalTPA Candidate Handbook, TPA seminar schedule, and other TPA support materials can be found on the COE website provided at the website provided:

<http://lynx.csusm.edu/coe/CalTPA/CalTPAdocuments.asp>

GENERAL CONSIDERATIONS

Outcomes and Standards

The context for, and scope of this course is aligned with standards for the Cross-cultural Language and Academic Development (CLAD) endorsement, as articulated by the California Commission on Teacher Credentialing (CTC), and as approved by the faculty of the College of Education in development of the program approval documents. Further consideration has been given to the alignment of standards for multicultural education as articulated by the National Council for Accreditation of Teacher Education (NCATE), the Interstate New Teacher Assessment and Support Consortium (INTASC), and the National Board for Professional Teaching Standards (NBPTS). Emphasis is placed on learning outcomes (what you know and can demonstrate) rather than on inputs (putting in "seat time", meeting minimum criteria for assignments, checking off tasks and activities), and how these outcomes correspond to your potential to enhance student learning as a new teacher.

Authorization to Teach English Learners

This credential program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the credential program, as well as additional coursework. Students successfully completing this program receive a credential with authorization to teach English learners. (*Approved by CCTC in SB 2042 Program Standards, August 02*)

CSUSM Academic Honesty Policy

"Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral assignments must be original work. All ideas/materials that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with quotation marks.

Students are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor's attention. The instructor reserves the right to discipline any student for academic dishonesty in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole."

Appeals

Every student has the right to appeal grades, or appeal for redress of grievances incurred in the context of any course. Disputes may be resolved informally with the professor, or through the formal appeal process. For the latter, consult Dr. Patricia Prado-Olmos, Associate Dean.

Students with Disabilities Requiring Reasonable Accommodations Every student has the right to equitable educational consideration and appropriate accommodation. Students having differing ability (mobility, sight, hearing, documented learning challenges, first language/English as a second language) are requested to contact the professor at the earliest opportunity. Every effort will be made to accommodate special need. Students are reminded of the availability of Disabled Student Services, the Writing Center, technology assistance in the computer labs, and other student support services available as part of reasonable accommodation for special needs students.

Students are approved for services through the Disabled Student Services Office (DSS). This office is located in Craven Hall 5205, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

Writing: In keeping with the All-University Writing Requirement, all 3 unit courses must have a writing component of at least 2,500 words (approximately 10 pages) which can be administered in a variety of ways. Writing requirements for this course will be met as described in the assignments.

Plagiarism

As an educator, it is expected that each student will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. If you are in doubt about whether your work is paraphrased or plagiarized see the Plagiarism Prevention for Students website <http://library.csusm.edu/plagiarism/index.html>. If there are questions about academic honesty, please consult the University catalog. All work submitted for this course should reflect students' efforts. When relying on supporting documents authored by others, cite them clearly and completely using American Psychological Association (APA) manual, 5th edition. Failure to do so may result in failure of the course.

Electronic Communication Protocol (E-mail & Online Discussion Protocol)

Email & On-Line Discussion Protocol: Electronic correspondence (e-mail and on-line discussion) is a part of your professional interactions. If you need to contact the instructor or other students, e-mail is often the easiest way to do so. It is my intention to respond to all received e-mails in a timely manner. Please be reminded that e-mail and on-line discussions are a very specific form of communication, with their own form of nuances and meanings. For instance, electronic messages sent with all upper case letters, major typos, or slang; often communicate more than the sender originally intended. With that said, please be mindful of all e-mail and on-line discussion messages you send, to your colleagues, to faculty members in the College of Education, or to persons within the greater educational community. All electronic messages should be crafted with professionalism and care.

Things to consider:

- Would I say in person what this electronic message specifically says?
- How could this message be misconstrued?
- Does this message represent my highest self?
- Am I sending this electronic message to avoid a face-to-face conversation?

In addition, if there is ever a concern with an electronic message sent to you, please talk with the author in person in order to correct any confusion.

All electronic messages should be crafted with professionalism and care. For more guidance see Core Rules of Netiquette at <http://www.albion.com/netiquette/corerules.html>.

Grading Policy

All students will come prepared to class; readings and homework assignments are listed on the dates on which they are due. All required work is expected to be on time. One grade level will be deducted for each class meeting for which it is late (e.g., an "A" assignment that is submitted one class session late will be marked down to a "B"). Unless prior instructor approval is secured, assignments will not be accepted three class sessions after which they are due. Exceptions will be handled on a case-by-case basis, as determined by the instructor.

Grading Emphasis

It is expected that students will proofread and edit their assignments prior to submission. Students will ensure that the text is error-free (grammar, spelling), and ideas are logically and concisely presented. The assignment's grade will be negatively affected as a result of this oversight. Each written assignment will be graded approximately 80% on content and context (detail, logic, synthesis of information, depth of analysis, etc.), and 20% on mechanics (grammar, syntax, spelling, format, uniformity of citation, etc.). All citations, where appropriate, will use American Psychological Association (APA) format. Consult American Psychological Association (APA) Manual, 5th edition for citation guidance.

Grading will also include a component of "professional demeanor." Students will conduct themselves in ways that are generally expected of those who are entering the education profession. This includes but is not limited to:

- On-time arrival to all class sessions;

- Advance preparation of readings and timely submission of assignments;
- Respectful participation in all settings (e.g., whole group, small group, in/outside of class);
- Carefully considered, culturally aware approaches to solution-finding.

The following grading scale will be used:

93 – 100	A	90 - 92	A		
88 - 89	B+	83 - 87	B	80 - 82	B-
75 - 79	C+	72 - 74	C	70 - 71	C-

✓ Writers' Workshop (10 points)

Overview:

In EDMS 522, we concentrate on writing as part of balanced literacy. This assignment emphasizes the nature of writing and how it relates to student performance. **DO NOT BEGIN THIS ASSIGNMENT UNTIL IT IS DISCUSSED IN CLASS!** You will submit your reflection to WebCT and bring a hard copy to class to share with peers.

What to do:

In class we explore some topics about which to write. Using the writer's workshop model, you will develop a short (1 page) piece of writing. Bring your draft to class, and we will have conferences about it. Then, finish the piece on your own. Use the traits rubric to score your writing. Be specific with evidence from you piece for each trait.

After you finish, **reflect** upon and write about your own writing process.

- How did you get started? What was it like writing the first draft?
- What was difficult for you? What was easy?
- What kinds of decisions did you have to make in the writing?
- Did you consider your audience? Who was your audience?
- What did you learn about fostering student's writing through this experience?

CHECKLIST (Writers Workshop)

1. ____ I participated in our writers' workshop: prewriting, drafting, responding, revising, editing, and publishing an original piece of writing.
2. ____ I thoughtfully reflected on the writing process, answering the five (5) bulleted questions.

✓ Case Study (40 points)

In this assignment you will conduct a case study on one student in which you use literacy assessments data to develop a **reading** intervention. You will observe a student reading, conduct various assessments, interpret assessment data and use the data to develop an instructional strategy/intervention.

You will be taught how to conduct the assessments in class workshops. The Literacy Case Study Handbook (WebCT) and the Johns text contain the assessment tools. You will be asked to work with a student and to conduct assessments with this student. In order to analyze the data, you will be taught how to use the Data Analysis Grid (developed by Dr. Quiocho), which can be found in the Literacy Case Study Handbook.

Create a document that includes the Literacy Case Study cover page (below) and the 9 sections listed in the Case Study checklist. The Literacy Assessment Case Study document needs to be submitted to WebCT6 on the due date. (Submit the hard copy of your case study along with the appendix (your data assessment papers, student writing, etc) on the last day of class, July 11.

It is highly recommended that you complete a RICA study sheet (or cards) for the RICA areas covered in the course (RICA 1, 7,8,9,10,11 and/or those you have not studied). We will have a RICA study session at the end of the course. RICA study sheets (or cards) include information on (a) what the content area is about, (b) ways of assessing it, (c) ways of teaching it, and (d) accommodations. Besides the course readings, Dr. Alice Quiocho’s web site can also serve as a resource. The address is: <http://www.csusm.edu/Quiocho>. Click on “reading instruction portfolio.” See the [section on accommodations](#) for ideas on ways to support second language learners. Note: See www.ed.gov/free/ for free Educational Materials.

It is also highly recommended that students attend a RICA test preparation workshop offered by Dr. Alice Quiocho. The Extended Studies Catalog lists dates and prices of test prep workshops.
