Course Prerequisites

Admission to the Single Subject Program, EDUC 350, EDUC 364, & EDUC 422

Authorization to Teach English Learners

This credential program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the credential program, as well as additional coursework. Teacher candidates successfully completing this program receive a credential with authorization to teach English learners.

(Approved by CCTC in SB 2042 Program Standards, August 2002)

Teacher Candidate Learning Outcomes

Teacher Candidates will be required to complete a Teaching Performance Assessment, show proof of Teacher Performance Expectations and complete critical assessment tasks- specific assignments for this course. It is the teacher candidates responsibility to understand expectations and complete assignments by stated due dates.

California Teacher Performance Assessment (CalTPA)

Beginning July 1, 2008 all California credential candidates must successfully complete a state-approved system of teacher performance assessment (TPA), to be embedded in the credential program of preparation. At CSUSM this assessment system is called the CalTPA or the TPA for short. To assist your successful completion of the TPA a series of informational seminars are offered online through Moodle Cougar Courses. TPA related questions and logistical concerns are to be addressed during the seminars. Your attention to TPA seminars will greatly contribute to your success on the assessment. Additionally, SOE classes use common pedagogical language, lesson plans (lesson designs), and unit plans (unit designs) in order to support and ensure your success on the TPA and more importantly in your credential program. The CalTPA Candidate Handbook, TPA seminars, and other TPA support materials can be found on the SOE website.

Assessment of Professional Dispositions

Assessing a candidate's dispositions within a professional preparation program is recognition that teaching and working with learners of all ages requires not only specific content knowledge and pedagogical skills, but positive attitudes about multiple dimensions of the profession. The School of Education has identified six dispositions – social justice and equity, collaboration, critical thinking, professional ethics, reflective teaching and learning, and life-long learning—and developed an assessment rubric. For each dispositional element, there are three levels of performance - *unacceptable*, *initial target*, and *advanced target*. The description and rubric for the three levels of performance offer measurable behaviors and examples.

The assessment is designed to provide candidates with ongoing feedback for their growth in professional dispositions and includes a self-assessment by the candidate. The dispositions and rubric are presented, explained and assessed in one or more designated courses in each program as well as in clinical practice. Based upon assessment feedback candidates will compose a reflection that becomes part of the candidate's Teaching Performance Expectation portfolio. Candidates are expected to meet the level of *initial target* during the program.

School of Education Attendance Policy

Due to the dynamic and interactive nature of courses in the School of Education, all teacher candidates are expected to attend all classes and participate actively. At a minimum, teacher

candidates must attend more than 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements. Should the teacher candidate have extenuating circumstances, s/he should contact the instructor as soon as possible.

(Adopted by the College of Education Governance Community, December, 1997)

Teacher Candidates with Disabilities Requiring Reasonable Accommodations

Teacher candidates with disabilities who require reasonable accommodations must be approved for services by providing appropriate and recent documentation to the Office of Disable Student Services (DSS). This office is located in Craven Hall 4300, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Teacher candidates authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

All University Writing Requirement

The writing requirement for this class will be met as described in the assignments. Every course at the university, including this one must have a writing requirement of at least 2500 words.

CSUSM Academic Honesty Policy

Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral presentation assignments must be original work. All ideas/materials that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with quotation marks.

Teacher candidates are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor's attention. The instructor reserves the right to discipline any student for academic dishonesty in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole. Incidents of Academic Dishonesty will be reported to the Dean of Students. Sanctions at the University level may include suspension or expulsion from the University.

Plagiarism

As an educator, it is expected that each teacher candidate will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. If you are in doubt about whether your work is paraphrased or plagiarized see the Plagiarism Prevention for Students website <http://library.csusm.edu/plagiarism/index.html>. If there are questions about academic honesty, please consult the University catalog.

Electronic Communication Protocol

Electronic correspondence is a part of your professional interactions. If you need to contact instructor or other teacher candidates, e-mail is often the easiest way to do so. It is my intention to respond to all received e-mails in a timely manner. Please be reminded that electronic correspondences are a very specific form of communication, with their own form of nuances, meanings, and etiquette. For instance, electronic messages sent with all upper case letters, major typos, or slang often communicates more than the sender originally intended. With that said, please be mindful of all electronic messages you send, to your colleagues, to faculty

members in the School of Education, or to persons within the greater educational community. All electronic messages should be crafted with professionalism and care.

Things to consider:

- Would I say in person what this e-mail specifically says?
- How could this e-mail be misconstrued?
- Does this e-mail represent my highest self?
- Am I sending this e-mail to avoid a face-to-face conversation?

3. EDSS 555 COURSE INFORMATION & REQUIREMENTS

Course Description

This course addresses the needs of high school teachers faced with the growing diversity that exists in today's classrooms. As such it will focus on bilingual sociolinguistic/sociocultural competence and implications for learning and instruction, application of effective alternative instructional practices, cultural aspects of English learners, as well as effective and appropriate English language development (ELD) techniques and successful bilingual, multilingual education for language minority students.

Course Readings - available on the EDSS 555 course website (Cougar Courses)

Course Requirements

Teacher education is a professional preparation program. It is expected that teacher candidates will come to class prepared to discuss the readings, submit required assignments, and participate in class activities. Teacher candidates are expected to adhere to academic honesty and integrity, standards of dependability, confidentiality and writing achievement. Because it is important for teachers to be able to effectively communicate their ideas to students, parents, colleagues, and administrators, writing that is original, clear and error-free is a priority for the School of Education.

All teacher candidates are expected to participate in class activities and demonstrate reflective learning. Teacher candidates who do not attend a class session, are consistently late, or do not participate in class activities will not receive attendance and participation points for that session. It is important that students are well prepared for course sessions by completing the readings and assignments scheduled before the class meeting. **Assignments not handed-in on due date will lose 10% of earned credit per day.** Assignments should be typed and double-spaced (yes, including the reading reflections). Students who wish to revise an assignment must negotiate the requirements of the revision with the instructor.

Teacher Performance Expectation (TPE) Competencies

This course is designed to help teachers seeking the Single Subject Credential to develop the skills, knowledge, and attitudes necessary to assist schools and districts in implementing an effective program for all students. The successful candidate must be able to demonstrate their understanding and ability to apply each of the TPE's, that is, merge theory and practice in order to realize a comprehensive and extensive educational program for all students. Failure to meet a minimum competence in any of the TPE's by the completion of the program will prevent the acquisition of the Single Subject Credential. A full-text version of the TPE descriptions can be downloaded from the School of Education website. This course emphasizes the following TPEs:

TPE 7 – Teaching English Learners

TPE 15 – Social Justice and Equity

TPE 15 – Action Plan / Reflective Statement

15 points

In EDSS 555, you are specifically responsible for demonstrating that you have met TPE 15: Social Justice and Equity in your coursework. Each student will create a personalized diversity / social justice action plan designed specifically for his/her English learners and/or their parents. Your plan will discuss how you, as a future teacher of English learners, will address an issue of diversity, social justice and/or equity in your high school classroom. Your plan will include the following; identifying / defining the issue you have chosen to address, a description of the English learners and/or parents your plan is designed for, a reflection of the reasons you chose the issue, and a description of the personalized action plan (specific activities) you have created. Your action plan and reflective statement **MUST** reference TPE 15 so that you are demonstrating how you have met the TPE through this assignment.

Drafts of your Action Plan / Reflective Statements are due periodically throughout the semester for peer review and analysis.

You MUST post your final TPE 15 – Action Plan / Reflective Statement to the course website (Cougar Courses) in order to receive credit for this assignment.
