Major units include intensive theoretical and practical articulation of culture and cultural pluralism; educational issues of race, class, gender, language, ethnicity, and exceptionality; social, structural, programmatic and curricular issues; and effective teaching for diverse populations.

Course Objectives

Students completing EDUC 364 will be able to demonstrate:

- Developing competencies in *TPE 15: Social Justice and Equity*;
- Understanding of various concepts of culture and cultural contact, and their applicability to learning and teaching;

- Understanding of cultural diversity in the United States and California;
- A general familiarity with cultural responsive pedagogy;
- Understanding of gay, lesbian, bisexual and transgender students, teachers and families.
- To gain an understanding of “*at risk*” and foster children.

Authorization to teach English Language Learners (ELLs)

The credential program at CSUSM has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach ELLs is met through the infusion of content and experiences with the Multiple Subject Program, as well as additional coursework. Students successfully completing this program receive the Preliminary Multiple Subject Credential with authorization to teach ELLs (formerly called CLAD).

School of Education Attendance Policy

All students are expected to attend all classes and participate actively. At a minimum, students must attend more than 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements. Should the student have extenuating circumstances, s/he should contact the instructor as soon as possible. (*Adopted by the COE Governance Community, December, 1997*).

COMPETENCIES

Teacher Performance Expectation (TPE) Competencies

This course is designed to help teachers seeking the Multiple or Single Subject(s) Credential to develop the skills, knowledge, and attitudes necessary to assist schools and districts in implementing an effective program for all students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. The course objectives, assignments, and assessments have been aligned with the CCTC standards for the Multiple and Single Subject(s) Credential. You can incorporate artifacts from this class into your final comprehensive portfolio. The following TPE is addressed in this course:

TPE 15: Social Justice and Equity

Teacher candidates will be able to identify issues of social justice and equity in the classroom to ensure equal outcomes for diverse students. They will be familiar with ideas, definitions, and major theorists in the fields of multicultural education, social reconstruction, and democratic education. Pluralism and divergent perspectives on educating students will be the foundation of designing effective lessons and instructional practices for diverse students. Candidates will understand when and how to collaborate with others, especially curriculum specialists, community leaders, and parents on preparing relevant and appropriate instructional activities, curricular units, and school structures that would provide equitable outcomes for students from different linguistic, cultural, and socio-economic backgrounds.

GENERAL CONSIDERATIONS

All rights reserved

As instructor of record, I reserve the right to change, add to, or delete any and all material from the course.

Outcomes and Standards

The context for, and scope of this course is aligned with standards for the Cross-cultural Language and Academic Development (CLAD) endorsement, as articulated by the California Commission on Teacher Credentialing (CTC), and as approved by the faculty of the School of Education in development of the program approval documents. (Note: As of 2002, the CLAD competencies are collectively referred to as an *Authorization to Teach English Learners*.)

Further consideration has been given to the alignment of standards for multicultural education as articulated by the National Council for Accreditation of Teacher Education (NCATE), the Interstate New Teacher Assessment and Support Consortium (INTASC), and the National Board for Professional Teaching Standards (NBPTS). Emphasis is placed on learning outcomes (what you know and can demonstrate) rather than on inputs (putting in “seat time”, meeting minimum criteria for assignments, checking off tasks and activities), and how these outcomes correspond to your potential to enhance student learning as a new teacher.

Academic Honesty

Students will be expected to adhere to standards of academic honesty** and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral assignments must be original work. All ideas/materials that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with quotation marks.

Students are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor’s attention. The instructor reserves the right to discipline any student for academic dishonesty in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.

I expect that each student will do his/her own work, and contribute equally to group projects and processes.

*****Plagiarism is cheating and will not be tolerated under any circumstance.***

Appeals

Every student has the right to appeal a grade, or appeal for redress of grievances incurred in the context of the class. Disputes may be resolved informally with the professor, or through the

formal grades appeal process. For the latter, consult with the Interim Director's Office of the School of Education.

Students with Disabilities Requiring Reasonable Accommodations

Students **MUST BE APPROVED** for services by providing appropriate and recent documentation to the Office of Disable Student Services (DSS). This office is located in Craven Hall 4300, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality.

All University Writing Requirements

The all-University writing requirements will be met through written reactions and reflections related to assigned readings.

Community Service Learning

Community Service Learning engages students in active learning experiences that enhance classroom instructional activities, while addressing social, economic, political, health, and environmental needs of people in the community. Students learn while doing and while reflecting on what they do.

A unique aspect of this course is a focus on the educational needs of foster children. In a unique collaboration between CSUSM's School of Education, Community Service Learning and San Diego County Office of Education, Foster Youth Services Program, **ALL** students in this class **ARE REQUIRED** to tutor foster children as part of the Service Learning requirement for the course.
