Authorization to Teach English Learners

This credential program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the credential program, as well as additional coursework. Candidates successfully completing this program receive a credential with authorization to teach English learners.

(Approved by CCTC in SB 2042 Program Standards, August 02)

TEACHER CANDIDATE LEARNING OUTCOMES

Teacher Performance Expectation (TPE) Competencies

The course objectives, assignments, and assessments have been aligned with the CTC standards for the Multiple Subject Credential. This course is designed to help teachers seeking a California teaching credential to develop the skills, knowledge, and attitudes necessary to assist schools and district in implementing effective programs for all students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. You will be required to formally address the following TPE in this course:

TPE 1A- Subject-Specific Pedagogical Skills for Multiple Subject Teaching Assignments: Reading Language Arts.

California Teacher Performance Assessment (CalTPA)

Beginning July 1, 2008 all California credential candidates must successfully complete a state-approved system of teacher performance assessment (TPA), to be embedded in the credential program of preparation. At CSUSM this assessment system is called the CalTPA or the TPA for short.

To assist your successful completion of the TPA, a series of informational seminars are offered over the course of the program. TPA related questions and logistical concerns are to be addressed during the seminars. Your attendance to TPA seminars will greatly contribute to your success on the assessment.

Additionally, SOE classes use common pedagogical language, lesson plans (lesson designs), and unit plans (unit designs) in order to support and ensure your success on the TPA and more importantly in your credential program.

The CalTPA Candidate Handbook, TPA seminar schedule, and other TPA support materials can be found on the SOE website: <http://www.csusm.edu/education/CalTPA/ProgramMaterialsTPA.html>

Candidates successfully completing this program receive a credential with authorization to teach English learners. (*Approved by CCTC in SB 2042 Program Standards, August 02*)

Teacher Performance Assessment

Beginning July 1, 2008 all California credential candidates must successfully complete a state-approved Teacher Performance Assessment (TPA), as part of the credential program of preparation. During the 2015-16 academic year the CSUSM credential programs will use either the CalTPA (California Teacher Performance Assessment) or the edTPA (Educative Teacher Performance Assessment).

Check with your program coordinator to determine which assessment is used for your credential program.

CalTPA

To assist with your successful completion of the CalTPA, a series of informational seminars are offered over the course of the program. TPA related questions and logistical concerns are to be addressed during the seminars. Your attendance to TPA seminars will greatly contribute to your success on the assessment. The CalTPA Candidate Handbook, TPA seminar schedule, and other TPA support materials may be found on the SOE website: <http://www.csusm.edu/education/CalTPA/ProgramMaterialsTPA.html>

edTPA

Beginning in fall 2015, for newly entering initial candidates, the CSUSM assessment system is the edTPA. To assist with your successful completion of the edTPA, a capstone class is part of your curriculum. In this class edTPA related questions and logistical concerns are addressed. Additional support materials are available on the edTPA website:
http://www.edtpa.com/PageView.aspx?f=GEN_Candidates.html

Additionally, to support your success in your credential program and with TPA, SOE classes use common pedagogical language, lesson plans (lesson designs), and unit plans (unit designs).

GENERAL CONSIDERATIONS

This syllabus is subject to change.

Assessment of Professional Dispositions

Assessing a candidate's dispositions within a professional preparation program is recognition that teaching and working with learners of all ages requires not only specific content knowledge and pedagogical skills, but positive attitudes about multiple dimensions of the profession. The School of Education has identified six dispositions – social justice and equity, collaboration, critical thinking, professional ethics, reflective teaching and learning, and life-long learning—and developed an assessment rubric. For each dispositional element, there are three levels of performance - *unacceptable*, *initial target*, and *advanced target*. The description and rubric for the three levels of performance offer measurable behaviors and examples.

The assessment is designed to provide candidates with ongoing feedback for their growth in professional dispositions and includes a self-assessment by the candidate. The dispositions and rubric are presented, explained and assessed in one or more designated courses in each program as well as in clinical practice. Based upon assessment feedback candidates will compose a reflection that becomes part of the candidate's Teaching Performance Expectation portfolio. Candidates are expected to meet the level of *initial target* during the program.

School of Education Attendance Policy

Due to the dynamic and interactive nature of courses in the School of Education, all candidates are expected to attend all classes and participate actively. At a minimum, candidates must attend more than 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements. Should the candidate have extenuating circumstances, s/he should contact the instructor as soon as possible. (*Adopted by the COE Governance Community, December, 1997.*)

For this course: Students missing two class sessions will see their grades reduced by one full grade. Students missing three or more class sessions will see their grades reduced by two full grades. Leaving early or arriving late by more than 15 minutes constitutes one absence. Illness and emergencies are considered on a case-by-case basis; however, notification of an absence does not constitute an excuse.

Students with Disabilities Requiring Reasonable Accommodations

Students with disabilities who require reasonable accommodations must be approved for services by providing appropriate and recent documentation to the Office of Disabled Student Services (DSS). This office is located in Craven Hall 4300, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

All University Writing Requirement

Every course at the university, including this one, must have a writing requirement of at least 2500 words. Writing requirements for this class will be met through the signature assignments as described below.

CSUSM Academic Honesty Policy

Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All assignments must be original work, clear and error-free. All ideas/material that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated accordingly.

Academic Honesty and Integrity: Students are responsible for honest completion and representation of their work. Your course catalog details the ethical standards and penalties for infractions. There will be zero tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor's attention. The instructor reserves the right to discipline any student for academic dishonesty, in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.

Incidents of Academic Dishonesty will be reported to the Dean of Students. Sanctions at the University level may include suspension or expulsion from the University.

Refer to the full Academic Honesty Policy at:

http://www.csusm.edu/policies/active/documents/Academic_Honesty_Policy.html

Plagiarism

As an educator, it is expected that each candidate (course participant) will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. If you are in doubt about whether your work is paraphrased or plagiarized see the Plagiarism Prevention for Students website <http://library.csusm.edu/plagiarism/index.html>. If there are questions about academic honesty, please consult the University catalog.

Credit Hour Policy

Students are expected to spend a minimum of two hours outside of the classroom each week for each unit of credit engaged in learning.

Class Behavior Expectations

Students in this class are expected to follow these basic principles:

- Demonstrate respect for oneself and for others.
- Treat others with dignity and behave in a way which promotes a physically and psychologically safe, secure, and supportive climate.
- Allow all community members to engage as full and active participants where the free flow of ideas is encouraged and affirmed.

Use of Technology

Candidates are expected to demonstrate competency in the use of various forms of technology (i.e. word processing, electronic mail, Moodle, use of the Internet, and/or multimedia presentations). Specific requirements for course assignments with regard to technology are at the discretion of the instructor. Keep a digital copy of all assignments for use in your teaching portfolio. All assignments will be submitted online, and some will be submitted in hard copy as well. Details will be given in class.

Assume that technology will fail at some point. Do not assume that everything will go smoothly when it comes to computers. Plan ahead. Do not leave completion/submission of assignments/projects for the last possible moment.

Contact Information for Technical Support Assistance

If you need any technical support, contact IITS Student Help Desk: <http://www.csusm.edu/sth/>.

Electronic Communication Protocol

Electronic correspondence is a part of your professional interactions. If you need to contact the instructor, e-mail is often the easiest way to do so. It is my intention to respond to all received e-mails in a timely manner. Please be reminded that e-mail and on-line discussions are a very specific form of communication, with their own nuances and etiquette. For instance, electronic messages sent in all upper case (or lower case) letters, major typos, or slang, often communicate more than the sender originally intended. With that said, please be mindful of all e-mail and on-line discussion messages you send to your colleagues, to faculty members in the School of Education, or to persons within the greater educational community. All electronic messages should be crafted with professionalism and care.

Things to consider:

- Would I say in person what this electronic message specifically says?
- How could this message be misconstrued?
- Does this message represent my highest self?
- Am I sending this electronic message to avoid a face-to-face conversation?

In addition, if there is ever a concern with an electronic message sent to you, please talk with the author in person in order to correct any confusion.

COURSE REQUIREMENTS

Assignments are to be turned in on the due date, no exceptions. Hand-written work is not accepted. Assignments should use size 12 font and be double-spaced. Proofread and edit word-processed assignments prior to submission to ensure the text is error-free (grammar, spelling), and ideas are logically and concisely presented. All citations, where appropriate, should use American Psychological Association (APA) format.

Domain 1: Planning Reading Instruction based on Assessment
Domain 2: Word Analysis
Domain 3: Fluency
Domain 4: Vocabulary, Academic Language, and Background Knowledge
Domain 5: Comprehension

PRIMARY GRADE OBSERVATION (25 pts.) (Due on Cougar Courses: Oct. 5, 2015 by midnight)

You will spend one morning (2 to 2 ½ hours) in a kindergarten or first grade classroom of your choice to observe beginning literacy instruction including as many of the following as possible:

- Phonemic Awareness
- Concepts About Print
- Phonics Instruction
- Spelling Instruction
- Reading Comprehension-Narrative
- Supporting Reading through Oral and Written Language Development
- Vocabulary Development
- Writing

Then reflect upon what you saw, how it connected (or did not connect) to the theories you are learning this semester, and why the teacher made the pedagogical decisions that he/she did. Try to answer the following questions in your reflection:

1. How was the room organized, the physical layout?
2. Was there a classroom library? Was it organized in any particular way?
3. What opportunities did students have for independent reading? Did they choose what they read?
4. Did the teacher work in small groups? How were the groups organized? How were students placed in groups?
5. How did the teacher differentiate instruction? How did she meet the needs of all the students?
6. What was the rest of the class doing when the teacher worked in small groups?
7. What literacy concepts (see list above) did you observe?
8. What took place – what was the nature of the instruction?
9. Did the teacher read aloud? What? For how long?
10. How much time was spent on reading instruction?
11. Was it a literacy rich environment? How so?
12. Was there evidence of student work in the room? What kind?
13. Did you see any kind of reading assessment? What was it? What was being assessed?
14. What else did you notice about early reading instruction?

Your final reflection will be a narrative about what you saw and your analysis of those observations. Please include the setting (small group, large group, one-on-one), what the teacher and the students did and what accommodations were made for students with special needs, or English language learners.

ANNOTATED MENU OF ASSESSMENTS (20 pts.) (Due on Cougar Courses: Oct. 18, 2015 by midnight)

This is designed to familiarize you with a variety of assessment tools and evidence of student learning. You will describe the process and purpose of various assessment tools, including entry-level, progress-monitoring, and summative. Complete the Menu Section and then choose two assessment tools from your menu and describe how the information from that assessment would or could inform your instruction. What would you do with the assessment information you have gathered about your student(s). You may use an example you have observed or create a scenario in which an assessment might help you understand what a student, a small group or a whole class knows and how that will inform your teaching.

For Menu Section, complete a descriptive list of 10 different assessments. Be complete in your descriptions.

READING STRATEGY LESSON PLAN (20 pts.) (Due on Cougar Courses by the morning you share your lesson)

Follow the lesson plan format posted in the Moodle the day you present your lesson. Design a lesson where you teach a **reading comprehension strategy** to any grade level. It can be small group or whole group instruction just make sure that you are explicitly teaching the students one aspect of becoming a proficient reader. This lesson **MUST** explicitly teach a reading comprehension strategy, and the focus in 522 will be writing strategies. Examples of reading comprehension strategies are:

Make predictions
 Form hypothesis
 Support the hypotheses you make
 Monitor how well you comprehend while you read

 Form mental pictures while you read
 Ask questions of yourself while you read
 Use context clues to figure out words you don't know
 Relate what you are reading to what you already know

Make inferences
 Summarize what you read
 Recognize the main idea of a story
 Identify patterns in a text

 Sound out a word you don't know
 Organize information while you read.
 Choose books you can read

Recommended sites for literacy lessons (in no particular order): There are many websites with lesson plans. The following are some of my favorites. You don't have to use these. I'm just trying to save you some time. There are many more out there, just be aware of who sponsors the site and what the sponsor might be trying to sell you or what their philosophical orientation might be.

Materials by Jim Burke, high school teacher and author of many excellent books. Go to "classroom resources" on top bar.

Important: Your lesson must address the needs of mainstream students, as well as make provisions for second language learners, students presenting difficulty, and accelerated students. How are you going to work with students who are having difficulty? How will you scaffold second language learners' learning during the lesson? How will your lesson provide enrichment for accelerated students? Will you meet with students individually or in a small group while other students work independently? Use the lesson template posted in Cougar Courses

Reading reflections (30 pts.):

It is expected that everyone will understand all the readings and will come to class prepared to discuss them. Write at least 3 comments or questions from the readings for that session. **Do not summarize.** Please give thoughtful reactions, responses, and reflections. If the readings are from more than one book, try to comment on more than one book. We will use these as the basis of our discussion at the beginning of some classes. These should be posted in Cougar Courses **before** each session and they should show that you have done the reading. Do NOT do reading reflections for the adolescent novels. **You have 2 free passes!**

Literature Circles (Due Oct. 6):

We will read the books before our class session (see schedule and look for literature circles), engage in discussion and brainstorm teaching and learning activities that could be implemented in reading/language arts classrooms. You will meet before reading the books and choose the role you will prepare for when discussing the book. You can download and print your role here: http://www.ipadlitcircles.com/uploads/1/0/6/6/10664962/lit_circles.role_sheets.pdf or I can provide paper copies. The multicultural books are chosen to represent various genres, multiple perspectives and characters from a variety of backgrounds.

No final exam.
