COURSE DESCRIPTION

Observation and teaching in selected schools under supervision of classroom teacher and university supervisor, with a student teaching seminar. *Graded Credit/No Credit. May not be taken for credit by students who have received credit for EDMS 561. Enrollment Restriction: Admission to the Multiple Subject Internship Credential Program.*

Materials Needed

Because this is a supervised clinical practice experience, the materials for this class include the *Assessment of Teacher Performance Expectations Multiple Subject Credential* form, the *Multiple Subject Professional Dispositions Rubric*, and the *Clinical Practice Summary* that may be found on the School of Education website for clinical practice. Additional materials on the website include the *Multiple Subject Clinical Practice Handbook section 1: Information for Teacher Candidates*, along with other forms used in clinical practice. (www.csusm.edu/education/ClinicalPractice/HandbookMS.html)

Taskstream Enrollment and Postings

The School of Education uses Taskstream to manage Candidates' TPE and disposition assessments. Candidates must be enrolled in Taskstream during the Integrated Credential Program. Enrollment fees are paid by going to www.taskstream.com and registering for at least one year. After enrolling, to access the Integrated Credential Program, from your home page, find the Self-Enrollment area and click the *Enter Code* button. Then, enter *msicptc* as the program code. If this is the correct program, click the *Enroll* button. The Integrated Credential Program now will show up on your Taskstream home page when you log in. Be sure to remember your enrollment name and password.

CLINICAL PRACTICE STUDENT LEARNING OUTCOMES

Candidates will:

- Assess and instruct elementary school age students of various cultural and linguistic backgrounds in elementary school classroom
- Demonstrate successful performance of the Teacher Performance Expectations as assessed using the *Assessment of Teacher Performance Expectations Multiple Subject Credential* form
- Demonstrate successful performance of the Professional Dispositions as assessed using the *Multiple Subject Professional Dispositions Rubric*

Student Learning Outcome Assessment Methods

Observation by university supervisor of clinical performance objectives, Professional Dispositions and Teacher Performance Expectations, (TPEs)

Observations by the school-based cooperating teacher of the clinical practice performance objectives, Professional Dispositions and the Teacher Performance Expectations, (TPEs)

Completion of the Professional Dispositions rubric, the Teacher Performance Expectations form, and a Clinical Practice Summary, summarizing performance and professional growth

The evaluations are developed with input from the Candidate's University Supervisor and Cooperating Teacher. The final summary is developed with input from the University Supervisor and Cooperating Teacher and is approved and signed by the Candidate, the University Supervisor, and the Cooperating Teacher.

SUPERVISION REQUIREMENTS

1. Each Teacher Candidate attends this clinical practice at their assigned school site as scheduled by program requirements and the specific school site calendar. During the eight weeks of Clinical Practice I, Candidates attend daily, full-time. The Candidate should adhere to the Cooperating Teacher's contract hours, attend staff meetings and other professional responsibilities, and be available to remain afterschool to plan and prepare.
2. Each Teacher Candidate in this clinical practice is observed by and meets with a University Supervisor at least four times to discuss his/her developing performance of the TPEs and to discuss clinical experiences in order to expand participants' knowledge of various assessment, planning and instructional strategies.

3. Each Teacher Candidate in this clinical practice works together with his/her Cooperating Teacher to plan and implement lessons. The Candidate plans all lessons, including the ones observed by the University Supervisor, in collaborative co-teaching planning sessions. The Candidate writes a lesson plan for each of the lessons observed by the University Supervisor and provides the University Supervisor and Cooperating Teacher a copy of the written lesson plan in advance, prior to teaching the lesson. The focus during Clinical Practice I is Reading/Language Arts instruction and Mathematics instruction.
4. Each Teacher Candidate takes advantage of opportunities presented during this clinical practice experience to fulfill TPE 13: Professional Growth to engage in professional development activities and document the number of hours of professional development. During the credential program, Candidates should complete 10 hours of professional development activities approved by their Supervisors/Instructors.
5. Each Teacher Candidate may develop a TPE portfolio binder to gather activities associated with each TPE to support their conversations about their progress with their University Supervisor and Cooperating Teacher. TPE binder dividers are located on the School of Education Clinical Practice website. (www.csusm.edu/education/ClinicalPractice/HandbookMS.html)
6. Each Candidate uses the specific enrollment code to enroll in TaskStream using to be able to access evaluations of their Professional Dispositions and TPEs. The Integrated Credential Program code is msicptc.

GRADING SCALE

Credit/No Credit

The University Supervisor, in collaboration with the Cooperating Teacher, completes the *Multiple Subject Professional Disposition Rubric*, the *Assessment of Multiple Subject TPEs*, and prepares a *Multiple Subject Clinical Practice Summary* based upon the observations of the University Supervisor and Cooperating Teacher. These documents are presented to the Teacher Candidate at the final meeting-conference and all participants sign the documents. These documents serve as official verification of successful completion of Clinical Practice and are required for the University to be able to recommend a Candidate for a credential at the end of the program.

1. A grade of CREDIT (CR) or NO CREDIT (NC) will be assigned for clinical practice experiences by the University Supervisor. If a Teacher Candidate has not successfully met the *Multiple Subject Teacher Performance Expectations* at an appropriate level, (“approaching” in CPI, “meets” in CPII) or the *Multiple Subject Professional Dispositions* at an appropriate level (“approaching” in CPI, “meets” in CPII), the Candidate may be required to extend or repeat the experience.
2. If a Teacher Candidate is unsuccessful in a clinical practice experience, a grade of NO CREDIT will be given. Granting of an additional opportunity for clinical practice will be made based on the circumstances under which the original NO CREDIT was given.
3. Should a Teacher Candidate be in the potential situation of receiving NO CREDIT for clinical practice, the University Supervisor and Cooperating Teacher must complete a State of Concern (SOC) as soon as possible and provide copies to the Program Coordinator. The documentation in the SOC, the action plan, and the follow up steps to the plan are key documents that are used to verify inadequate performance in clinical practice, if the action plan is not achieved.
4. Should a second clinical practice experience be recommended, the Candidate must re-register for the clinical practice course prior to the new placement being made.

Conditions for Removal from School Site

A candidate will be removed from the school site and a Statement of Concern documenting the situation will be written immediately if a candidate:

1. Endangers students or others;
2. Violates recognized codes of conduct, e.g. CSUSM Student Code of Conduct, CSUSM Academic Honesty Policy NEA Code of Ethics, CA Education Code Section 44932; and/or

3. Is dismissed from the classroom or school site by the cooperating professional or site or district administrator. (see *Statement of Concern- Guidelines* www.csusm.edu/education/ClinicalPractice/HandbookMS.html)

GENERAL CONSIDERATIONS

Assessment of Professional Dispositions

Assessing a Candidate's dispositions within a professional preparation program recognizes that teaching and working with learners of all ages requires not only specific content knowledge and pedagogical skills, but positive attitudes about multiple dimensions of the profession. The School of Education has identified six dispositions – social justice and equity, collaboration, critical thinking, professional ethics, reflective teaching and learning, and life-long learning - and developed an assessment rubric. For the *Multiple Subject Professional Dispositions* rubric, there are three levels of performance for each disposition: “unacceptable”, “approaches”, “meets”. The rubric for the levels of performance offers measurable behaviors and examples for each disposition. The assessment of dispositions includes a self-assessment by the candidate and is designed to provide candidates with ongoing feedback for their growth in professional disposition. Candidates are expected to meet the level of “meets” during the program. See the rubric on the SoE website. (www.csusm.edu/education/ClinicalPractice/HandbookMS.html)

School of Education Attendance Policy

Due to the dynamic and interactive nature of courses in the School of Education, all candidates are expected to attend all classes and participate actively. At a minimum, candidates must attend more than 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements. Should the candidate have extenuating circumstances, s/he should contact the instructor as soon as possible. (*Adopted by the COE Governance Community, December, 1997*).

This course: All teacher candidates are expected to be present at their assigned school site as scheduled by program requirements and the specific school site calendar and teaching contract. Should the teacher candidate have extenuating circumstances, s/he should contact the University Supervisor and Program Coordinator as soon as possible.

Students with Disabilities Requiring Reasonable Accommodations

Candidates with disabilities who require reasonable accommodations must be approved for services by providing appropriate and recent documentation to the Office of Disable Student Services (DSS). This office is located in Craven Hall 4300, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Candidates authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

All University Writing Requirement

Provide a statement on how the writing requirement will be met. Every course at the university must have a writing requirement of at least 2500 words.

CSUSM Academic Honesty Policy

“Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral presentation assignments must be original work. All ideas/materials that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with quotation marks.

Students are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor's attention. The instructor reserves the right to discipline any student for academic dishonesty in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.”

Incidents of Academic Dishonesty will be reported to the Dean of Students. Sanctions at the University level may include suspension or expulsion from the University.

Plagiarism:

As an educator, it is expected that each candidate will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. If you are in doubt about whether your work is paraphrased or plagiarized see the Plagiarism Prevention for Students website <http://library.csusm.edu/plagiarism/index.html>. If there are questions about academic honesty, please consult the University catalog.

Optional additions to syllabi:**Use of Technology**

Candidates are expected to demonstrate competency in the use of various forms of technology (i.e. word processing, electronic mail, Moodle, use of the Internet, and/or multimedia presentations). Specific requirements for course assignments with regard to technology are at the discretion of the instructor. Keep a digital copy of all assignments for use in your teaching portfolio. All assignments will be submitted online, and some will be submitted in hard copy as well. Details will be given in class.

Electronic Communication Protocol

Electronic correspondence is a part of your professional interactions. If you need to contact the instructor, e-mail is often the easiest way to do so. It is my intention to respond to all received e-mails in a timely manner. Please be reminded that e-mail and on-line discussions are a very specific form of communication, with their own nuances and etiquette. For instance, electronic messages sent in all upper case (or lower case) letters, major typos, or slang, often communicate more than the sender originally intended. With that said, please be mindful of all e-mail and on-line discussion messages you send to your colleagues, to faculty members in the School of Education, or to persons within the greater educational community. All electronic messages should be crafted with professionalism and care.

Things to consider:

- Would I say in person what this electronic message specifically says?
- How could this message be misconstrued?
- Does this message represent my highest self?
- Am I sending this electronic message to avoid a face-to-face conversation?

In addition, if there is ever a concern with an electronic message sent to you, please talk with the author in person in order to correct any confusion.

COURSE REQUIREMENTS

Describe all assignments that contribute to the grade. (You may want to combine this with the next section to include the relative weights of the assignments)

Grading Standards

Include points, relative weights of each assignment, policy on late work, and attendance, if a contribution to the grading scheme. Are grades by a percentage scale? Total points? How will students know how they are progressing in terms of final assessment?

(NOTE - This document contains an embedded section break so that the course calendar can begin on a new page.)
