

California State University San Marcos
SCHOOL OF EDUCATION

EDUC 422B – Technology and Learning A
Educational Technology Basics (one unit course)

SPRING 2013 CRN25443

Meets on MARCH 8, 2013 (5 - 9:00 pm) and MARCH 9, 2013 (8:30 am – 4:30 pm)
University Hall **UH 271**

Instructor: Bonnie Mendenhall

Phone: Office- 760 750-4727 CELL (760) 803-5594

Office: UH 447

Office Hours: Before or after class and by appointment

Email: bmendenh@csusm.edu

School of Education Mission Statement

The mission of the School of Education Community is to collaboratively transform public education by preparing thoughtful educators and advancing professional practices. We are committed to diversity, educational equity, and social justice, exemplified through reflective teaching, life-long learning, innovative research, and ongoing service. Our practices demonstrate a commitment to student centered education, diversity, collaboration, professionalism, and shared governance.

COURSE DESCRIPTION

This course is equivalent to the second third of EDUC 422. It includes the productivity and professional practice skills and concepts in using technology in the classroom. Topics include web and electronic based teaching and learning. *This course may not be taken for credit by students who have received credit for EDU 422 and E494J.*

The EDUC 422 course prepares teacher candidates to apply specific educational technology-based applications in methods courses for implementation in teaching and learning with students as well as to their own professional growth. When entering the teacher education program, School of Education faculty assume teacher candidates have competency in the applications covered in this course, and, therefore, will make assignments requiring teacher candidates to apply these skills.

Course Objectives

Teacher candidates will demonstrate competency in:

- Meeting the National Educational Technology Standards for Teachers (NETS•T) outlined below at a basic level of proficiency;
- Using a variety of educational technology tools that are applied in teaching and learning within the credential program and used in public school settings.

Prerequisites

The prerequisite for this course is completion of 422-A with a B or above grade.

Required Supplies

There is no required text for this course. Instead, you will need the following:

- **ISTE online student membership**. Must be purchased prior to the first class meeting.

California State University San Marcos
SCHOOL OF EDUCATION

- **TaskStream student subscription**. Must be purchased prior to the first class meeting
- One mass storage device, e.g., USB flash drive (1 Gig or larger) Must be purchased prior to the first class meeting.

It is not necessary to purchase the educational software, as many of the specific software titles are available on the Web in demo-version and/or available on campus.

STUDENT LEARNING OUTCOMES

Teacher Performance Expectation (TPE) Competencies

This course is designed to help teachers seeking the Multiple and Single Subjects Credential to develop the skills, knowledge, and attitudes necessary to assist schools and districts in implementing an effective program for all students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. The following TPEs are addressed in this course:

Primary Emphasis:

TPE 14 CSUSM Educational Technology (based on ISTE NETS•T: see below)

Secondary Emphasis:

TPE 4 - Making Content Accessible (NETS•T I and II)

TPE 5 - Student Engagement (NETS•T I and II)

TPE 6 - Developmentally Appropriate Teaching Practices (NETS•T I, and II)

TPE 7 - Teaching English Language Learners (NETS•T II and IV)

TPE 12 - Professional, legal and ethical (NETS•T IV)

TPE 13 - Professional Growth (NETS•T V)

ISTE National Educational Technology Standards (NETS•T) and Performance Indicators for Teachers

Effective teachers model and apply the National Educational Technology Standards for Students (NETS•S) as they design, implement, and assess learning experiences to engage students and improve learning; enrich professional practice; and provide positive models for students, colleagues, and the community. All teachers should meet the following standards and performance indicators. Teachers:

I. Facilitate and Inspire Student Learning and Creativity

Teachers use their knowledge of subject matter, teaching and learning, and technology to facilitate experiences that advance student learning, creativity, and innovation in both face-to-face and virtual environments. Teachers:

- a. promote, support, and model creative and innovative thinking and inventiveness
- b. engage students in exploring real-world issues and solving authentic problems using digital tools and resources
- c. promote student reflection using collaborative tools to reveal and clarify students' conceptual understanding and thinking, planning, and creative processes
- d. model collaborative knowledge construction by engaging in learning with students, colleagues, and others in face-to-face and virtual environments

II. Design and Develop Digital-Age Learning Experiences and Assessments

Teachers design, develop, and evaluate authentic learning experiences and assessments incorporating contemporary tools and resources to maximize content learning in context and to develop the knowledge, skills, and attitudes identified in the NETS•S. Teachers:

- a. design or adapt relevant learning experiences that incorporate digital tools and resources to promote student learning and creativity
- b. develop technology-enriched learning environments that enable all students to pursue their individual curiosities and become active participants in setting their own educational goals, managing their own learning, and assessing their own progress
- c. customize and personalize learning activities to address students' diverse learning styles, working strategies, and abilities using digital tools and resources

- d. provide students with multiple and varied formative and summative assessments aligned with content and technology standards and use resulting data to inform learning and teaching

III. Model Digital-Age Work and Learning

Teachers exhibit knowledge, skills, and work processes representative of an innovative professional in a global and digital society. Teachers:

- a. demonstrate fluency in technology systems and the transfer of current knowledge to new technologies and situations
- b. collaborate with students, peers, parents, and community members using digital tools and resources to support student success and innovation
- c. communicate relevant information and ideas effectively to students, parents, and peers using a variety of digital-age media and formats
- d. model and facilitate effective use of current and emerging digital tools to locate, analyze, evaluate, and use information resources to support research and learning

IV. Promote and Model Digital Citizenship and Responsibility

Teachers understand local and global societal issues and responsibilities in an evolving digital culture and exhibit legal and ethical behavior in their professional practices. Teachers:

- a. advocate, model, and teach safe, legal, and ethical use of digital information and technology, including respect for copyright, intellectual property, and the appropriate documentation of sources
- b. address the diverse needs of all learners by using learner-centered strategies and providing equitable access to appropriate digital tools and resources
- c. promote and model digital etiquette and responsible social interactions related to the use of technology and information
- d. develop and model cultural understanding and global awareness by engaging with colleagues and students of other cultures using digital-age communication and collaboration tools

V. Engage in Professional Growth and Leadership

Teachers continuously improve their professional practice, model lifelong learning, and exhibit leadership in their school and professional community by promoting and demonstrating the effective use of digital tools and resources. Teachers:

- a. participate in local and global learning communities to explore creative applications of technology to improve student learning
- b. exhibit leadership by demonstrating a vision of technology infusion, participating in shared decision making and community building, and developing the leadership and technology skills of others
- c. evaluate and reflect on current research and professional practice on a regular basis to make effective use of existing and emerging digital tools and resources in support of student learning
- d. contribute to the effectiveness, vitality, and self-renewal of the teaching profession and of their school and community

CSUSM AND SOE POLICIES

School of Education Attendance Policy

Due to the dynamic and interactive nature of courses in the School of Education, all students are expected to attend all classes and participate actively. At a minimum, students must attend more than 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements (see below). Should the student have extenuating circumstances, s/he should contact the instructor as soon as possible. (Adopted by the COE Governance Community, December, 1997).

In addition to attending course sessions, students may need to use campus resources for some assignments. All students must plan times they can work in labs on campus. Students are required to check campus resources and availability of labs. Mac computers are available in ACD 202, ACD 211, UH 271, and SCI2 306 in addition to other locations such as the library 2nd floor. Students are required to use campus issued-email accounts and check email and the class Cougar Course (Moodle) site at least two times per week to communicate with instructor and peers.

CSUSM Academic Honesty Policy

Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral presentation assignments must be original work. All ideas/materials that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with quotation marks.

Students are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor's attention. The instructor reserves the right to discipline any student for academic dishonesty in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.

Incidents of Academic Dishonesty will be reported to the Dean of Students. Sanctions at the University level may include suspension or expulsion from the University.

Plagiarism

As an educator, it is expected that each student will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. If you are in doubt about whether your work is paraphrased or plagiarized see the Plagiarism Prevention for Students website <http://library.csusm.edu/plagiarism/index.html>. If there are questions about academic honesty, please consult the University catalog.

Students with Disabilities Requiring Reasonable Accommodations

Students with disabilities who require reasonable accommodations must be approved for services by providing appropriate and recent documentation to the Office of Disable Student Services (DSS). This office is located in Craven Hall 4300, and can be contacted by phone at (760) 750-4905, or TTY (760)

**California State University San Marcos
SCHOOL OF EDUCATION**

750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

CSUSM Writing Requirement

The CSUSM writing requirement of 2500 words is met through the completion of course assignments. Therefore, all writing will be looked at for content, organization, grammar, spelling, and format.

If needed, it is suggested that you make an appointment with the Writing Center (http://www.csusm.edu/writing_center/) to seek help with writing skills before submitting your written assignments.

Grading Procedures And Assignments

Grading is calculated on the standard of

94 - 100 = A	80 - 83 = B-	70 - 73 = C-
90 - 93 = A-	77 - 79 = C+	60 - 69 = D
87 - 89 = B+	74 - 76 = C	below 60 = F
84 - 86 = B		

422-B ASSIGNMENTS and DUE DATES

Detailed information about each assignment is provided on the class Cougar Course site. ***Please note that modifications to this course may occur at the discretion of the instructor.*** Any changes to assignments will be clearly labeled and students will be notified.

In addition to the assignments described below performance assessment will be on student's cooperation and flexibility in response to unforeseen challenges and student's ability to perform tasks using a variety of technology tools.

Due Date	Assignment	Description	Points
3/9	ISTE-Taskstream Registration Requirement	You must have a current ISTE (www.iste.org) membership and a current TaskStream(www.taskstream.com) Account to participate in this class. Cougar Course site for more assistance.	NA
3/8-your post 3/9- 3 comments	Introduction Forum	20 points-Forum post introducing yourself to the professor and your classmates. 10 points each- Value added comment s posted on three classmate's Forum Posts.)	50
3/11	Journal Forums	Forum posts in response to ISTE NETS for Teachers	90

**California State University San Marcos
SCHOOL OF EDUCATION**

3/25 4/1		based on Journal Articles from ISTE <i>Learning and Leading Journal</i> . (15 points for your post, 5 points each for 3 comments.)	
3/11	Taskstream #1 Electronic Portfolio	Step-by-step directions for how to complete a response to the ISTE Nets for Teachers and TPE 14 on TaskStream.	150
3/11	Electronic Grading Program	Investigate a teacher grading and reporting program. Create a mock class and several typical grade reports.	100
3/25	Assistive Technology	Learn about technology based assistive devices frequently used to enhance learning for students with special needs.	100
3/25	Tracking Sheet # 2	List of assignments in relationship to the NETS for Teachers in order to prepare for completing the Electronic Portfolio assignment in 422B and 422C	50
4/1	Web Site News Letter	Post a "current Events" News Letter describing typical class and school activities for your Teacher Website (created in 422-A.)	150
4/1	Internet Treasure Hunt	Design an interactive web-based information search for a standards- based unit of study.	200
March 8 – April 8, 2013	Attendance, disposition & participation	50 points: Attendance and participation- Attend and actively participate in class both Friday night and Saturday. 60 points: Disposition- Students are expected to have a positive disposition toward the teaching and learning assignments. They should demonstrate flexibility in response to unforeseen challenges and be willing to perform tasks using a variety of familiar and unfamiliar technology tools. They should help fellow classmates and create a positive classroom environment for everyone.	110
		Total	1000

ASSIGNMENTS for 422-B TURNED IN AFTER 11:55 PM ON April 8, 2013 will not be graded.

You are responsible to track your grades and progress in the course. In order to successfully complete this course, all assignments must be completed at an acceptable level noted on assignment directions and rubrics. All assignments are due by 11:55 pm on the due date. Late assignments will be penalized by a deduction in points. After one week, late assignments may receive no credit. If extraordinary circumstances occur, please contact the instructor.

ASSIGNMENTS TURNED IN AFTER THE DUE DATE WILL BE REDUCED BY 2.5 POINTS PER DAY LATE

After one week, late assignments WILL receive no credit.

If extraordinary circumstances occur, please promptly contact the instructor.
