I. Course Description

Introduction to state and federal special laws regarding special education, ethical issues in special education; procedures and forms used in California schools to identify and support children and youth eligible for special education; and the Individual Education Program planning, implementation, and evaluation process. Students practice principles of effective collaborative and interdisciplinary teaming and focus on best practices for inclusive educational programming. *Prerequisites: Admission to the Level I Mild/Moderate & Moderate/Severe Disabilities Education Specialist Program*

II. Content and Performance Goals

Participants will:

- Goal 1. demonstrate knowledge of relevant and current federal and state laws, regulations, practices and due process procedural safeguards that pertain to California public education, students with disabilities, and their parents and care providers.
- Goal 2. demonstrate knowledge of professional ethical standards of practice (i.e., Council for Exceptional Children Code of Ethics @ www.cec.sped.org/ps/code.htm) and California Mild/Moderate and Moderate/Severe Education Specialist competencies.
- Goal 3. demonstrate knowledge of the five critical elements of an effective collaborative planning team (i.e., PIGS Face) and awareness of their effective use of these elements in "base team" and other meetings.
- Goal 4. demonstrate knowledge of and skill in using strategies for working effectively and collaboratively with family members and others (e.g., educators, administrators, paraprofessionals, community agency and related service personnel) to design, implement, and evaluate IEPs for individual learners

- Goal 5. demonstrate knowledge of co-teaching approaches to facilitate student inclusion in general education and learning of the core curriculum from highly qualified teachers
- Goal 6. demonstrate understanding of the roles, rights, and responsibilities of special educators, related services personnel, classroom teachers, administrators, parents and students with disabilities in implementing the Individuals with Disabilities Education Improvement Act (IDEIA), the Americans with Disabilities Act (ADA), and the Vocational Rehabilitation Act of 1973 (Section 504) and related California special education laws and regulations.
- Goal 7. demonstrate knowledge of and competence in the Individual Education Program (IEP) development and implementation process (i.e., screening; nonbiased and family-centered assessment; eligibility determination; IEP development to access the core general education curriculum; development of goals and measurable objectives; identification of necessary modifications and accommodations to curriculum, instruction, and assessment; identification of needed supports and services, placement decision making; determination of accommodations for participation in school-wide, district-wide, and state assessments.
- Goal 8. demonstrate knowledge of the Response to Intervention (RtI) framework for proactive interventions to reduce special education referral
- Goal 9. demonstrate skills in developing meaningful standards-based IEP goals to enable learner access to the core curriculum

IV. Professional and Administrative Requirements

- 1. Attend all class sessions. Be on time. Please call the instructor when you are unable to attend class or when you will be late. It is the policy of the CSUSM College of Education that any student who misses 20% or more of class time or class sessions may not receive a passing grade for a course.
- 2. "Person-first" language (e.g., "Student with Down Syndrome" rather than "Down Syndrome student;" "Johnny who happens to have Down Syndrome" rather "My Down Syndrome student") must be used throughout all written and oral assignments and discussions.
- Word process all written documents. Keep a copy of all of your work. You will want these copies for your records and for future use as professional portfolio entries. Please read this site on plagiarism and verify to your instructors that you commit to these ethical writing responsibilities <u>http://unitproj1.library.ucla.edu/col/bruinsuccess/03/02.cfm</u>
- 4. Complete and hand in all assignments on the due dates for full credit. If you have extraordinary circumstances that impact completion of your assignments, please let the instructor(s) know. Any time that you have questions or concerns, please contact the instructor(s) immediately.
- 5. Participate in class discussions and group activities and demonstrate positive interpersonal skills with classmates and guests.
- Select a class "buddy" to ensure that you receive handouts and information when you must miss class. Buddy: Telephone: e-mail:
 Fax: Address:
- 7. Task Stream Electronic Portfolio. Students must register online for TaskStream access for a minimum of one year. Additional years are recommended. Fees are paid online at <u>www.TaskStream.com</u>. This is a requirement of every credential candidate. Candidates learn how to use this site in EDUC 422. Students will post selected assignments and make reflective comments in response to the Teacher Performance Expectations and/or the Education Specialist Level I Preliminary standards identified by the instructors.

V. Course Features

Authorization to Teach English Learners

This credential program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the credential program, as well as additional coursework. Students successfully completing this program receive a credential with authorization to teach English learners.

Teacher Performance Expectation (TPE) Competencies

The course objectives, assignments, and assessments have been aligned with CTC standards for the Mild/Moderate and Moderate/Severe Level I Education Specialist Credential. This course is designed to help teachers seeking a California teaching credential to develop the skills, knowledge, and attitudes necessary to assist schools and district in implementing effective programs for all students. A successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. This course requires candidates to demonstrate competence for the following Multiple Subject TPEs and Level I standards:

Education Specialist Level I Preliminary Mild/Moderate Standards

Standard 10: Professional, Legal, and Ethical Practices (Task Stream – Legal Brief)

- Standard 11: Educational Policy and Perspectives (Task Stream Institute Reflection)
- Standard 16: Effective Communication and Collaborative Partnerships
 - (Task Stream Base Team Meetings)
- Standard 25: Characteristics and Needs of Individuals with Mild to Moderate Disabilities

TPEs

TPE 6D: Special Education

Articulating rationale for inclusive education for all students Collaborating with others to plan, teach, and assess students with special characteristics

TPE 12: Professional, Legal, and Ethical Obligations – (Task Stream – Legal Brief) Taking responsibility for student academic learning outcomes Knowing and applying professional and ethical obligations Knowing and applying legal obligations

TPE 13: Professional Growth (Task Stream – Institute Reflection)

Reflection and feedback to improve teaching practice and subject matter knowledge

TPE 15: Social Justice (Legal Brief)

Valuing socially equitable teaching, learning, and schooling Incorporating pluralism and divergent perspectives on educating diverse students Democratizing public education to achieve social justice and equity

Students with Disabilities Requiring Reasonable Accommodations

Students must be approved for services by providing appropriate and recent documentation to the Office of Disable Student Services (DSS). This office is located in Craven Hall 5205, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

VI. Scholastic Requirements

Class Attendance and Participation (40 maximum points)

This course consists of 7, 4-hour (plus break) class sessions and attendance at the Eighth Annual Summer Leadership Institute on the evening of July 13th and the days of July 14th and 15th. Attendance at and active participation in each of the **7 classes and 3 institute days** is worth a maximum of **4 points per class/day**.

Regular and punctual attendance is required. This class is interactive in nature, and the inclass experiences and discussions are difficult if not impossible to recreate. Additionally, each class member is expected to practice exemplary collaborative teaming and participatory behavior. To reinforce the program's commitment to the development of professional interpersonal skills, students earn points each class for: a) arriving on time; b) returning from breaks on time; c) staying for all of the class; d) fully participating and cooperating with classmates, instructors, and guests in accordance with agreed-upon "base team" and class norms; and e) completing and sharing weekly reflections. Participants who arrive late, departs early, engage a "non-collaborative" behavior, or fail to have assignments/reflections prepared on time can expect to receive less than the maximum points for a class.

Summer Leadership Institute and Weekly Reading Reflection (20 maximum points)

Participants will prepare three written reading reflections **(10 points)**. In addition, a written reaction to each of the keynotes and sessions attended at the institute is due the 9th class meeting **(10 points)**. The quality of this and all written work for this course will be judged according to at least the following criteria:

- a) use of respectful, professional, "person first" (i.e., Jacque who has Cerebral Palsy versus "the CP kid") language;
- b) correctness of spelling, punctuation, and grammatical usage of language;
- c) organization, comprehensiveness, and professional appearance of the product;
- d) evidence of higher order thinking (e.g., analysis, synthesis, application, evaluation); and
- e) connection with other readings, lectures, workshops, discussions, and experiences.

Base Team Meetings (20 maximum points)

Base Teams, formulated at the beginning of the course, meet regularly and use the "Team Meeting Worksheet" format to practice collaborative teaming skills, complete assignments, and generally support one another. Each team is required to create a team notebook (e.g., 3-ring binder with dividers) that compiles Team Meeting worksheets, team products, and group processing outcomes.

Participation in base team meetings is mandatory. Documented attendance and participation (via team meeting minutes and products) is worth **5 points per meeting**. Each team is expected to hold a minimum of 4 meetings of at least one hour in length outside of class time and follow the prescribed agenda. See each base team agenda to determine the products to be generated and the group processing to be conducted.

Rights & Responsibilities Legal Brief via the World Wide Web (20 maximum points)

Each class participant creates a "Legal Brief" by reading the <u>Special Education Rights and</u> <u>Responsibility</u> (SERR) manual which is accessed via the Protection and Advocacy, Inc. home page (www.pai-ca.org). From there you click on publications and type in the search engine box "special education rights and responsibilities." This will take you to list. Click on Special Education Page – Protection and Advocacy, Inc." Here you will find the New, Revised, Updated, December 2005 SERR manual as well as a) 18 Tips for Getting Quality Special Education Services for your Child b) Special Education Rights & Responsibilities for Children with ADD/ADHD, and c) Special Education Fair Hearings and Mediations After July 1, 2005 documents.

Your brief is comprised of three parts.

First, for 13 points, compose reactions to each of the 13 chapters of the SERR. For each chapter select two questions, which you find to be the most compelling. For each of these two questions, describe why it is compelling. You may take the perspective of an educator, parent, community member, or a child with a disability. Your reaction to each question should be 1/2 page in length.

Second, for 3 points, scroll down the special education publications site (www.paica.org/pubs/401601.htm) to each of the following four sites. Download and read each publication. Then compose a 1-page reaction to each link a) 18 Tips for Getting Quality Special Education Services for your Child b) Special Education Rights & Responsibilities for Children with ADD/ADHD, and c) Special Education Fair Hearings and Mediations After July 1, 2005.

Third, for a final 4 points, scroll to the very bottom of the same website, click on the "Links" link, examine the available web sites. You may also access additional professional websites via your Rosenberg text site: <u>www.prenhall.com/rosenberg</u> by "jumping" to the eight topical options at the top of the home page. Select **four** web sites to analyze. Of the four, you must analyze at least **one** of the following websites:

1) <u>www.interventioncentral.org</u> - be sure to examine RTI_WIRE

2) www.tash.org - be sure to go to governmental affairs (www.tash.org/govaffairs), and

3) <u>www.nichy.org</u> - be sure to go to nichcy.org/resources/IDEA2004resources.asp

For each of the four websites, the reaction/reflection should be approximately one page in length. The reaction/reflection at a minimum should summarize a) how each site can assist you as a special educator, b) what you found about the implications of the 2004 IDEIA

reauthorization and the Rtl options for school systems, and c) any other thoughts, opinions, feelings or learning that resulted from your site review.

Course enrollees are assigned CSUSM e-mail accounts and have computer use privileges on campus. Participants also are encouraged to use home computers to access the web and download the Protection and Advocacy publications as well as other documents you wish to save. This assignment is due on or before the last day of class. Note that this is an individualistic (versus collaborative) assignment intended to evidence your technology application skills as well as develop your knowledge base regarding special education law.

Writing Criteria

EDMX 631 Reflection Prompts

Three reading reflections are due on the dates indicated in the syllabus schedule. Additionally, a 10-point post-Institute reflection is due on the 9th class meet. The "Reflection Prompt" for each reflection is presented below.

The quality of reflections will be judged based upon at least the following criteria:

- use of respectful and professional "person first" language (i.e., "Rich who has Cerebral Palsy" versus "the CP child");
- word processed with accuracy in spelling, punctuation, and grammar;
- organization, comprehensiveness, and professional appearance of the product
- connection with readings, class discussions, findings on the web, and;
- use of higher order thinking skills of application, analysis, synthesis, and evaluation.

Reflection Prompts

Reflection #1a (4 points)

Chapter 4 of the Ed Code of the Composite of Laws (CDE) updates eligibility and IEP process requirements due to IDEIA. Pages 38 – 56 of Chapter 2 and ALL of Chapter 7 of Rosenberg et al. covers a huge amount of information regarding the legal aspects of special education and the procedures and paperwork all special educators must manage. Read Chapter 4 of the Ed Code and Chapter 7 from the perspective of a brand new special educator responsible for ensuring that every communication, assessment, eligibility, placement, and IEP-development step occurs in a timely and student-centered manner for Sara. As the newly hired special educator at Sara's school site, you want to make sure that you do not miss a single step in the referral and IEP process with Sara or any other student. Please construct a <u>detailed</u> graphic organizer - flowchart, table, outline, mind map, or other visual - to help you remember each of the procedural steps in the sequence from "prereferral" to "exit" for which you are responsible. Be very specific and include as much of the information from Chapter 7 as you can, as this is your personal "cheat sheet" to keep you out of "hot water" procedurally as a new special educator. Bring this reflection to class for public presentation.

In-Class Reflection #1b (1 point)

Before class, please read pp. 1 - 5 of Vol. 19(2) of The Special EDge provided by instructors. Also read the section of Chapter 4 of Rosenberg et al. on Curriculum-Based Assessment (pp. 107 – 112). Part 1: With your Reflection #1a in mind, where in your graphic organizer does the Response to Intervention approach and curriculum-based ways of intervening and tracking Sara's performance fit? Please revise your graphic organizer to include RtI. Part 2: Where in Figure 1 (on page 4 of the Special Edge) do you believe Sara falls? Provide a rationale. Part 3: Thinking about Curriculum-Based Assessment (pp. 107 – 112 of Rosenberg), generate one strategy not yet identified by Sara's team to support her to proactively intervene to accelerate her literacy performance.

Reflection #2 (3 points)

Read all of Chapter 2 of Rosenberg et al. Read pp. 1 - 5 of Vol. 19 (2) of The Special EDge provided by instructors. Finally, look at your notes and the power points from class lecture(s) on IDEA 1997, IDEIA 2004, and Rtl. First, from the perspective of a special education leader, identify your "baker's dozen" (i.e., 13) list of changes in beliefs, practices, legislation, polices, and procedures that occurred <u>prior</u> to IDEIA 2004 that promoted a welcoming view of students with disabilities as a condition of human diversity. Then, again from the same leadership perspective, compose a <u>second</u> "baker's dozen" (i.e., 13) list of what YOU consider to be the most significant components of and changes resulting from the IDEIA 2004 reauthorization. For each item in these two lists, a) provide a rationale for your selection and b) indicate where you found the information by making reference to pages in the readings, websites, or lectures. Be prepared to defend your two lists in class.

Reflection #3 (2 points)

You will be assigned to read one section of Chapter 9 of Rosenberg et al. (pp. 296 – 304 + Figure 9.1 on pages 305 & 306, 305 -312, or 313-319). Carefully study your section's text, Boxes, Figures and Pause and Reflects. Based upon your reading, prepare a 1-page visual representation of the most salient points in your section. Bring 5 copies of your visual to the last class. Be prepared to teach this content (in 7 minutes or less) to a small group of classmates who have read other sections of Chapter 9. When teaching, you may direct your pupils to the text for illustrations of checklists, forms, and so forth.

Professional Development Conference/Training Reflection (10 points)

Prepare a 5 to 6-page reaction to the keynotes and sessions attended at the approved training. More information about this reflection will be discussed in class. Be sure your reflection makes reference to each and every one of the keynotes and sessions you attended, as this is an "authentic" attendance check. More importantly, this reflection is an opportunity for you to synthesize your experience of the conference with course and other past learnings and experiences. It also is an opportunity for you to formulate instructional and organizational strategies for your own future as a special education or classroom teacher. So, make connections and be creative in you analysis, synthesis, and evaluations. *Make the experience count for you.* Other than these instructions and the general writing criteria articulated above, you have free reign to express yourself in this culminating reflection.

<u>GRADING SCALE (in percentages)</u>: A = 94-100 A- = 92-93 B+ = 89-91 B = 86-88 B- = 84-86 C+ = 81-83

Criteria for Grading:

A (Excellent): Shows sustained excellence in meeting all course requirements and exhibiting an unusual degree of intellectual initiative.

- B (Good): Shows consistent and effective achievement in meeting course requirements.
- C (Satisfactory): Meets the basic requirements of the course.

NOTE: The minimum acceptable grade for a course in the professional education sequence is C+, and a B average must be maintained.

Study Guide for Collaborative Teams: A Powerful Tool in Restructuring

Directions:

Please read <u>Collaborative Teams: A Powerful Tool in School Restructuring</u> prior to class #2 and your first base team meeting. Based upon your reading of this chapter, answer the following questions. The <u>FIRST TWO</u> questions must be completed <u>INDIVIDUALLY BEFORE CLASS</u> <u>#2 AND YOUR FIRST BASE TEAM MEETING</u>. Please bring the collaborative teaming chapter and this study guide to the second class for use during the session and Base Team meetings.

Class members will collaborate in their respective Base Teams to agree upon questions #1 and #2 and generate team answers to questions #3 through #8. ONE entire completed study guide will be created by **each Base Team** and archived in the team's binder of minutes and products.

COMPLETE BY CLASS #2 AND BASE TEAM MEETING #1:

1. Identify 5 team "norms" (i.e., rules not to be broken) that you consider most critical for you and your classmates to practice. Justify your selections.

2. Of the 13 suggested methods for processing presented in Table 1, identify the 2 that you find the most appealing or most challenging and that you would like to use to evaluate team functioning following in-class or out-of-class meetings or group activities.

FOR THE FOLLOWING QUESTIONS (#3 - #8), JOT DOWN IDEAS AS YOU READ, SO THAT YOU HAVE SOMETHING TO CONTRIBUTE WHEN YOUR BASE TEAM MEETS TO

GENERATE A TEAM ANSWER TO EACH QUESTION.

- 3. What does "parity" mean within a collaborative team?
- 4. Identify 3 strategies for promoting parity among members of a team.
- 5. In what ways does the distribution of leadership roles among team members promote healthy team functioning?
- 6. Aside from the roles of Recorder and Timekeeper, what 3 roles do you consider most critical to team functioning? Why?
- 7. Identify 3 ways the Collaborative Team Meeting Worksheet (Figure 2 at the very end of the chapter) structures face-to-face interaction.
- 8. Identify 2 ways the Collaborative Team Meeting Worksheet prompts team members to focus upon improving their "good team member" behaviors.

AGENDA – PART 1

SU	GGESTED ITEMS	TIME LIMITS
1.	The focus of this meeting is to learn to maneuver your way through the "California Special Education Program: a Composite of Laws." By using this book, each team member will become familiar with the information that is contained within. Please use the index and table of contents to find the necessary information to answer the scenarios. Take the first scenario and locate the sections in the law that relate to and help determine the answer to the question posed by the scenario.	20 min
	We all came to the base team meeting prepared with answers to the questions that each of us had been assigned	
2.	The remaining scenarios should be divided evenly among base team members. Each person is to locate the sections in the California State Law that address this particular scenarios issue or problem. Record the reference and page number so that you can easily locate and share with your other base team members.	10 min
	After discussing what each of us researched for each question, we integrated our answers into each question.	
3.	Agree upon a date prior to Class #4, reconvene to complete all scenarios. Prepare to share in Class #10.	5 min

1.	Review the agenda and assign roles. Identify 2 to 3 social skill(s)/norms 5 min for the team to focus upon or practice during this meeting.			
2.	For each scenario, the "discovery" of the relevant sections of the Composite is lead by the team member(s) responsible for locating information for that scenario. If a member was unable to locate all the sections to provide an adequate answer to the scenario, the team as a whole must locate the information. Team members must come to consensus as to responses.			
3.	Process by following the directions for "Self" and "Group" on the 10 mi "Fermenting" checklist. Discuss how well the team members fulfilled their roles and social skills the group set at the beginning of the meeting.			
4.	Assign and create roles for the next meeting Be sure that each person has a role that they have not yet experienced.		5 min ed.

EDUCATION CODE – PART 30	CALIFORNIA CODE – TITLE 5
Legislation (I980, IDEIA + bills)	Regulations (1981 + amendments)

CALIFORNIA SPECIAL EDUCATION PROGRAMS: A COMPOSITVE OF LAWS

CASE SCENARIOS

Directions: For each question, use the Table of Contents and the Index (Section M) at the back of the Composite of Laws to locate relevant sections and pages of legislation (Ed Code 30) and regulations (Title 5) that offers answers to the questions posed. You will want to formulate and search for some key terms and concepts (e.g. continuum of services, FAPE) that relate to the question and then search for them in the Table of Contents and Index. If nothing seems to emerge, thumb through each of the two sections of the Composite for language that addresses the question. Identify the relevant sections and page numbers for each question and also answer in narrative any questions that ask for your suggestions, opinion, advice, or decisions based on the legislation and regulations. Word process your responses on a separate document, perhaps creating for each question a table such as modeled above along with a narrative for questions that require a narrative response. Be prepared to share this with classmates in class and to teach the content to those who did not study your sections of the Scenario assignment.

Sample Items A & B:

A. A potential new resident of the district requests assurance that the district schools will provide an appropriate special education program and related services to his middle school child who has some identified disabilities.

What in the laws and regulations helps the district provide such assurances? Where did you find the information? Which sections? Which page(s)?

B. A district psychologist completes an evaluation on a child and decides the student should be eligible for and receive special education services because of serious emotional disturbance. He asks the child's team members individually to sign off on the statement of eligibility on the evaluation team report.

Is this the correct procedure? Why or why not? Where did you find the information? Which sections? Which page(s)?

Homefun Items:

1. There is a question as to whether a surrogate parent should be at an IEP meeting.

Under what conditions is a school required to have a surrogate parent at a meeting? Where did you find the information? Which sections? Which page(s)? 2. A parent of a child eligible for special education calls the Board of Education and asks to have her child's records, including all medical and psychological records, sent to the new school district where their family is moving.

What should be the school district's response? Where did you find the information? Which sections? Which page(s)?

3. A parent walks into the school and demands to review all of the school's records on her child that day.

Which records must the district provide? In what time frame? Where did you find the information? Which sections? Which page(s)?

4. Upon hearing that their 18-month old is experiencing developmental delays the child's parents call the school district for further evaluation and services.

How should the district respond? What services should the district provide? Where did you find the information? Which sections? Which page(s)?

5. A child's parents read an Evaluation Team Report and disagree strongly with the section that describes the family's background. The parents insist that the child be reevaluated by a more competent psychologist. The parents also insist that the district fire the psychologist who evaluated their son and hire a new, more competent psychologist.

What can the school district offer the parent in place of this request? Where did you find the information? Which sections? Which page(s)?

6. The mother of a preschool-aged child who attends a preschool in the community and asks for special education services for her child. She says that she was told by her preschool that her child would probably qualify for special education services because of his disability. The mother does not want her son to be moved from the preschool since he has made such a good adjustment there and because he has great difficulty making transitions.

What can you do for this mother? Where did you find the information? Which sections? Which page(s)?

7. A school's Student Study Team is interested in initiating a comprehensive evaluation for a student. Without any other communication with the parents, a Parent Consent Form is sent home to be signed ASAP.

How does this procedure comply or not comply with the laws and regulations? Where did you find the information? Which sections? Which page(s)?

8. During Kindergarten pre-registration, a five-year-old child is noticed as having significant delays in several areas of development.

What should the district personnel do regarding this child? Where did you find the information? Which sections? Which page(s)? 9. An initial IEP meeting for placement of a child, a parent indicates he believes his child needs an extended school year.

What should be done about the extended year "request?" Where did you find the information? Which sections? Which page(s)?

10. A parent calls the building principal and asks for an impartial due process hearing tomorrow.

What should be done, by whom, and when? Where did you find the information? Which sections? Which page(s)?

11. A parent and recent new resident of the district expresses to a teacher at a PTA meeting that her two children seem to be having difficulty in school. One of the children is a preschooler and the other is a third grader. The parent requests help for both of her children.

How should the school respond to this request? Where did you find the information? Which sections? Which page(s)?

12. After receiving a written request for a due process hearing, the school district's superintendent responds in writing that a hearing will be held but only after a face to face conference with the parents and, if necessary, mediation with a State Department of Education-appointed mediator.

Is this procedure correct? Why or why not? Where did you find the information? Which sections? Which page(s)?

13. A child who has been receiving preschool special education services for the past two years will be turning six in August.

What must her school district do for her? Where did you find the information? Which sections? Which page(s)?

14. At an assessment team meeting one of the team members disagrees with the eligibility determination.

Can such disagreements be handled? How? What impact does this have on the ultimate determination of eligibility? Where did you find the information? Which sections? Which page(s)?
