

**CALIFORNIA STATE UNIVERSITY, SAN MARCOS
COLLEGE OF EDUCATION**

**EDMX 632: Spring 2006 on Four Weekends,
Technology and Communication for Special Populations**

Fridays 5:30 – 8:45 Saturdays 9:00 a.m. – 3:50 p.m.

This course has a WebCT Component

1/27-28	2/17-18	3/31 & 4/01	4/ 28-29
----------------	----------------	------------------------	-----------------

Section 01: Concurrent Program

A. Sandy Parsons, Ph.D. **CRN# 21237 Room: UH 271**

Phone: 760-750-4284 FAX: 760-750-3352
E-mail: sparsons@csusm.edu
Office: University Hall 408
Office Hours: Saturdays: 8:00 – 9:00 a.m. and after class, or by appointment

Section 02: Continuing Interns and Part Time Students

Kathie T. Maltby, M.S. **CRN# 21856 Room: UH 273**

Phone: 949-936-5768 FAX 949-551-3171
E-mail: kmaltby@csusm.edu
Office: University Hall 273
Office Hours: Saturdays: 8:00 – 9:00 a.m. and after class, or by appointment

NOTE: There is a WebCT component of this course at: (<http://courses.csusm.edu>)

All communications will be via WebCT course mail using **CSUSM e-mail addresses** and sent within the WebCT course mail tool.

COLLEGE OF EDUCATION MISSION STATEMENT

The mission of the College of Education Community is to collaboratively transform public education by preparing thoughtful educators and advancing professional practices. We are committed to diversity, educational equity, and social justice, exemplified through reflective teaching, life-long learning, innovative research and on-going service. Our practices demonstrate a commitment to student-centered education, diversity, collaboration, professionalism, and shared governance. (*Adopted by COE Governance Community, October, 1997*).

COURSE DESCRIPTION:

EDMX 632 Technology and Communication for Special Populations (3). Terms, trends, history, and current information bases on applications of technology and assistive and adaptive devices for working with children. Use of technologies for learners with mild, moderate, and severe disabilities for education programs in schools and agencies. Identification of interventions for effective learner communication and needed augmentative communication devices. Knowledge of system components and configuration of special and adaptive devices. Competency-based, requiring laboratory work. Prerequisite: EDUC 422 or equivalent

COURSE ACTIVITIES:

Participants study and use technologies with learners with mild, moderate, and severe disabilities for education programs and agencies. Competencies developed are in ability to use computer-based technologies and system components and to configure special and adaptive devices. Information is presented on terms, trends, history, and current information bases, applications of technology and assistive and adaptive devices for work with children. This course is competency-based and requires laboratory work in addition to lecture and practice during scheduled class time.

COURSE PREREQUISITES:

Admission to the Preliminary Level I Mild/Moderate & Moderate/Severe Disabilities Education Specialist Program with or without Multiple Subjects/BCLAD. Successful completion of EDUC 500 or equivalent. Demonstration of a basic understanding and practical use of representative programs for instruction and teacher productivity including word processing, data bases, spread sheets, graphics, telecommunications, networking, and multi-media presentations is absolutely required.

REQUIRED TEXT AND MATERIALS:

Alliance for Technology Access (ATA) (2005). *Computer resources for people with disabilities: A guide to assistive technologies, tools and resources for people of all ages.* (4th Edition). The Alliance for Technology Access. Hunter House Publishers, Alameda, CA.

Parsons and Maltby 2006: Bound Reader, available at Copy Serve in San Marcos

The Bound Reader, available at Copy Serve in San Marcos. (760) 599-9923, 754 South Rancho Santa Fe Blvd. Enter the first driveway off San Marcos Blvd. just west of Rancho Santa Fe Rd. and the Citibank, turn right in this drive and make an immediate left. The store faces San Marcos Blvd.

AT Quick Wheel: The AT Quick Wheel can be purchased from the Council for Exceptional Children (CEC) for \$7.95. To order, please call CEC at 888-232-7733 (Toll Free) or 866-915-5000 (TTY Toll Free) and request product number #P5550 for a single order. You may also email CEC with your inquires on how to purchase the AT Quick Wheel at service@cec.sped.org or online at: <http://www.ideapractices.org/resources/tam/index.html>

Note: if there are enough students in class we may order as a group in order to obtain a discount.

Supplies Required:

University print card. You will be required to submit hard print copies of lab assignments printed in the lab. You may purchase this card in Academic Hall 202 (Monday – Thursday 6 - 8 only) or in the Kellogg Library on the 2nd floor (street level) near the Student Technology Help Desk (Friday 8-7, and Saturday 9 – 5). You may add money to the card on the 4th floor of University Hall, but you must have a card first in order to do this. **Having a print card is a requirement!**

One 2” – three ring binder (For use in the Mouse House lab.)

A USB/flash drive for storage of documents. This lab does not have 3.5” drives!

Materials: We suggest you get together in teams to gather or purchase these materials to share for the make it take is low tech lab on Saturday, January 28th.

Hot Glue sticks small or large

Hot glue gun small or large (bring to share, not required to purchase)

4 small household soft sponges (do not let them dry out!)

Scissors

AUTHORIZATION TO TEACH ENGLISH LEARNERS

This credential program has been specifically designed to prepare teachers for the diversity of languages often encountered in California public school classrooms. The authorization to teach English learners is met through the infusion of content and experiences within the credential program, as well as additional coursework. Students successfully completing this program receive a credential with authorization to teach English learners.

(Approved by CCTC in SB 2042 Program Standards, August 02)

TEACHER PERFORMANCE EXPECTATION (TPE) COMPETENCIES

The course objectives, assignments, and assessments have been aligned with the CTC standards for Special Education Credential. This course is designed to help teachers seeking a California teaching credential to develop the skills, knowledge, and attitudes necessary to assist schools and district in implementing effective programs for all students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. You will be required to formally address the following TPEs in this course (to be handed out in class):

ALL UNIVERSITY WRITING REQUIREMENT

Every course at the university must have a writing requirement of at least 2500 words. In EDMX 632, this requirement is met via Standards Based Curriculum Project and Paper, the Vendor Project, the Reading Reflections, and the Web CT discussion board work.

CAL STATE SAN MARCOS ACADEMIC HONESTY POLICY

“Students will be expected to adhere to standards of academic honesty and integrity, as outlined in the Student Academic Honesty Policy. All written work and oral assignments must be original work. All ideas/materials that are borrowed from other sources must have appropriate references to the original sources. Any quoted material should give credit to the source and be punctuated with quotation marks.

Students are responsible for honest completion of their work including examinations. There will be no tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor’s attention. The instructor reserves the right to discipline any student for academic dishonesty in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.”

STUDENTS WITH DISABILITIES REQUIRING REASONABLE ACCOMMODATIONS

Students must be approved for services by providing appropriate and recent documentation to the Office of Disable Student Services (DSS). This office is located in Craven Hall 5205, and can be contacted by phone at (760) 750-4905, or TTY (760) 750-4909. Students authorized by DSS to receive reasonable accommodations should meet with their instructor during office hours or, in order to ensure confidentiality, in a more private setting.

ADMINISTRATIVE REQUIREMENTS OF STUDENTS:

College Of Education Attendance Policy

Due to the dynamic and interactive nature of courses in the College of Education, all students are expected to attend all classes and participate actively. At a minimum, students must attend more than 80% of class time, or s/he may not receive a passing grade for the course at the discretion of the instructor. Individual instructors may adopt more stringent attendance requirements. Should the student have extenuating circumstances, s/he should contact the instructor as soon as possible. (*Adopted by the COE Governance Community, December, 1997*). Students arriving late, leaving class early or coming back late from breaks will lose participation points. For weekend classes, the "lunch break" is only 30 minutes, bring your snacks and lunch with you to have outside of the tech lab. Remember: **NO FOOD OR DRINKS IN THE COMPUTER LABS AT ANY TIME!** Participation points will be deducted for food and drink in the lab at any time.

Weekend Courses Attendance Policy:

You may not miss more than one weekend component and receive a grade of A. You may not miss one full Saturday and receive a passing grade. Weekend courses are VERY intense and strict attendance and fulfillment of all requirements is required to receive credit for the course. **NO MAKEUPS!** (One component = Friday night, Saturday a.m., or Saturday p.m. session).

ASSIGNMENT POLICY: Each assignment is due at the beginning of class on the date indicated on the syllabus. It is strongly advised that students keep up with the assignments from week to week. All work must be submitted to the professor in **hard copy format**. Students are required to keep a copy of all work (including lab assignments requiring papers and responses) in case any work becomes lost. **All proof of work accomplished is the responsibility of the student.**

Plagiarism of any type will result in a failing grade. Students making unauthorized copies of copyrighted microcomputer software will receive a failing grade.

Note: Typically, no late work will be accepted, but if accepted due to extenuating circumstance, and at the instructor's discretion, point deductions will be applied.

If you have extraordinary circumstances in your life which will impact upon your attendance or assignments, please let us know. If you have any questions or concerns, please contact the instructor.

SPECIAL EDUCATION SPECIALIST CREDENTIALS:

CTC Level 1 Standards and Levels of Competence:

The following table indicates the CTC Level I standards and level of competence addressed by EDMX 632 and the level (i.e., knowledge, application) at which each standard is demonstrated.

Table of CTC Level I Standards and Levels of Competence

M/M/S	M/M/S	M/M/S	M/M/S	M/M/S	M/M/S	M/M/S	M/M/S	M/M/S	M/M/S
10		15	17	22	23	24	25	26	27
K/A	K/A	K/A	K/A	K/A	K/A	A	K/A	K/A	K/A

Key to Table Standards and Areas of Certification:

10 Professional, legal and ethical practices

12 Educating diverse learners with disabilities

15 Managing learning environments

17 Assessment, curriculum, and instruction

22 Assessment and evaluation of students

23 Planning and implementing curriculum and instruction

24 Positive behavior support

25M/M Characteristics and needs of individuals with mild to moderate disabilities

25M/S Communication and Social Networks

26 Curriculum

27 Movement, mobility, sensory and specialized health care

M/M/S = Common Mild/ Moderate and Moderate/Severe Education Specialist Competency

M/M = = Mild/Moderate Education Specialist Competency

M/S = Moderate/Severe Education Specialist Competency

K = Competence at **knowledge** level

A = Competence at **application** level

COURSE OBJECTIVES: Upon completion of this course, students will be able to:

1. Identify terms, concepts, historical events and trends in the use of technology in general and special education programs.
2. Demonstrate an understanding of national, state and local laws, policies and procedures relating to technology and learners with special learning needs.
3. Identify learner characteristics and needs for the purpose of technology evaluations.
4. Become familiar with and able to utilize telecommunications, electronic databases, reference systems and networks to access information in regular and special education.
5. Identify for selection and use various resource agencies at national, state and local levels for improving the use of technology in the classroom to effect needed modification and adaptation of the learning environment for large and small group instruction.
6. Evaluate microcomputer software for its potential usefulness including possible adaptations and modification to the educational environment and/or devices for improving education programs for learners.

7. Plan for the practical application for instructional use of computers; select, evaluate and use educational hardware and software, and design classrooms for the use of computer assisted instruction for various groups of learners.
8. Become familiar and utilize telecommunication and utility programs to access information bases in regular and special education through Internet use.
9. Plan the use of technology that can be used to assist/enable persons with physical disabilities in approaching the learning process and environment.
10. Explain how to evaluate the effectiveness of technology applications and devices for individual learners in special education programs.
11. Acquire competencies in configuring and using adaptive devices
12. Acquire competencies in configuring and using specialized software such as:

My Own Bookshelf©

IntelliTalk III© (talking word processor)

Overlay Maker III©

Boardmaker© (picture communication boards)

SOLO™ by Don Johnston Inc.

Write OutLoud™

Read OutLoud™

Co Writer™

Draft Builder™

Note: the one principle of adaptive tech: is it is going to malfunction; it will do so when you are in front of a group!

Topics:

- * Use of computer-based assistive technologies, and system components
- * Configurations of system components to support peripherals
- * Terms, concepts, history and trends in assistive technology
- * Software selection and evaluation for individual learners with special needs
- * Planning use of technology for exceptional learners
- * Use of alternative input/output devices
- * Computer assisted instruction
- * Use of computer-based technology within appropriate subject areas and grade levels
- * Enhancement of problem solving skills, critical thinking skills, and creative processes
 - * Integration of computer-based applications into instruction in regular and special Education classrooms.
- * Use of the internet as a multifaceted education tool
- * On-line research:
 - * Education/special education sites
 - * Curriculum, lesson plans, and other education materials.
- * Use of IntelliTools™ Software and IntelliKeys™ keyboards for education

ACADEMIT REQUIREMENTS:

COURSE REQUIREMENTS

*Collaboration/Participation 12 sessions at 10 points each session	120	(be sure to sign in each class section)
Lab Assignments (12 @ 10 points each)	120	(be sure to turn in your lab sheet for lab points)
Standards Based Curriculum (SBC) Project and Paper (Pairs/Trios)	60	
Presentation of the SBC Project by entire group	15	
Vendor Project (Individual)	60	
Reading Reflections (4 @ 25 points each)	100	(Formats will be provided)
Web CT assignments (25 points per session)	100	
Course Reflection	25	
TOTAL POINTS	600	

NOTE: All assignments are due on the date stated on the course schedule. No late work will be accepted. If you encounter extenuating circumstance, please contact the professor. Late work due to extenuating circumstance will be accepted only at the discretion of the instructor and will receive late point deductions.

Assignment Descriptions and Points for Meeting Course Objectives:

***Collaboration and Participation: (12 class sessions @ 10 points each = 120 points)**

For each class, participation points will be assigned based upon the following criteria: collaborative cooperation in all labs, classes, and group assignments; enthusiasm for the content and activities; respect for the speakers; patience, flexibility and respect with the technology; and appropriate use of the lab, hardware and software and other aspects included in the Policy and Professional Dispositions listed below. Please note the very strict COE attendance policy requirements on page three of this syllabus.

***Standards Based Curriculum Project (75 points, including the Paper (60) with Presentation (15)** This is a group project which requires team creation of a standards based lesson using specialized access software and class presentation. The format is included in bound reader.

***Vendor Project (Individual, 60 points).** Each student will be required to contact vendors and research assistive technologies in one specified area. Student will submit a paper based upon this review. (Format included in bound reader).

***Reading Reflections: (Individual, 4 @ 25 points each = 100 points total)**

Reading reflections will be based on text readings. Format/prompts are found in your bound reader.

***WebCT work: (4 X 25 = 100)** All WebCT postings are due on the date indicated in the syllabus. The web sessions will be de-activated within one week after the due date. No late postings will be accepted.

***Course Reflection: (25 points)** The course reflection is due on the date listed in the course schedule, usually one week after the last weekend of the course. This reflection is to be completed using the Course Assignments Tool in WebCT.

***Lab work in class and required lab work sheets: (12 @ 10 points each) = 120 points)**

There will be a lab activities which requires in-class work and lab sheets for each class session. Be sure to get the lab sheet from your bound reader (or from the instructor), do the work, fill it out, and return it to the instructor to get the full points. Missed labs may be made up only with the consent of the instructor, but not for full points as the student has missed the professor's instruction and supervised in-class group work with peers.

Policies and Professional Dispositions:

- Store all equipment and clean up lab before leaving class.
- Assure that everyone in the group participates in the lab work. A collaborative professional considers his/her colleagues at all times. Much of the adaptive and assistive devices must be shared. Be sure to have each member of the group have hands-on with the devices and software in order to complete full credit for the lab work.
- Demonstrate respect for the instructors, guest speakers, and fellow classmates.
- Arrive on time to class, return from breaks on time, and stay for the full class period.
- **ABSOLUTELY NOT FOOD, DRINK, WATER, ETC. IN THE LAB AT ANY TIME!!!!** Students with food or drink in the lab (other than water bottles at the tables, not at the computers) will be **penalized participation and lab points**. Thank You.
- Please wash your hands before using any adaptive equipment, the keyboard membranes and switches are very sensitive and very expensive. Also, do not write on top of the keyboard membranes.

***All assignments are due on the date stated on the course schedule.**

GRADING STANDARDS:

Points will be totaled for all assignments and percentages will be calculated. Grades are then computed according to the following scale:

GRADING SCALE: (represents percentages of total points)

93 - 100 = A	90 - 92 = A -	87 - 89 = B+
83 - 86 = B	80 - 82 = B -	77 - 79 = C+

Points below 79 = F (grade of C+ or better required to count course on the credential program)

Grading Rubrics: Criteria for Grading Assignments:

A (93%) Outstanding work on assignment, excellent syntheses of information and experiences, great insight and application, and excellent writing,

B (83%) Completion of assignment in good form with good syntheses and application of information and experiences, writing is good,

C (73%) Completion of assignment, adequate effort, adequate synthesis of information and application of information and experiences, writing is adequate.

Criteria for Grading the Course:

A (93%) Outstanding work on all assignments, excellent syntheses of information and experiences

B (83%) Completion of all assignments in good form with adequate syntheses of information and experiences

C (73%) Completion of all assignments, minimum effort, minimal synthesis of information and experiences.

SB 2042 - AUTHORIZATION TO TEACH ENGLISH LEARNERS COMPETENCIES

<u>PART 1:</u> <u>LANGUAGE STRUCTURE AND FIRST- AND SECOND-LANGUAGE DEVELOPMENT</u>	<u>PART 2:</u> <u>METHODOLOGY OF BILINGUAL, ENGLISH LANGUAGE DEVELOPMENT, AND CONTENT INSTRUCTION</u>	<u>PART 3:</u> <u>CULTURE AND CULTURAL DIVERSITY</u>
I. Language Structure and Use: Universals and Differences (including the structure of English)	I. Theories and Methods of Bilingual Education	<u>I. The Nature of Culture</u>
A. The sound systems of language (phonology)	A. Foundations	A. Definitions of culture
B. Word formation (morphology)	B. Organizational models: What works for whom?	B. Perceptions of culture
C. Syntax	C. Instructional strategies	C. Intra-group differences (e.g., ethnicity, race, generations, and micro-cultures)
D. Word meaning (semantics)	II. Theories and Methods for Instruction In and Through English	D. Physical geography and its effects on culture
E. Language in context	A. Teacher delivery for <u>both</u> English language development <u>and</u> content instruction	E. Cultural congruence
F. Written discourse	B. Approaches with a focus on English language development	II. Manifestations of Culture: Learning About Students
G. Oral discourse	C. Approaches with a focus on content area instruction (specially designed academic instruction delivered in English)	A. What teachers should learn about their students
H. Nonverbal communication	D. Working with paraprofessionals	B. How teachers can learn about their students
I. Language Change		C. How teachers can use what they learn about their students (culturally responsive pedagogy)
II. Theories and Factors in First- and Second-Language Development	III. Language and Content Area Assessment	<u>III. Cultural Contact</u>
A. Historical and current theories and models of language analysis that have implications for second-language development and pedagogy	A. Purpose	A. Concepts of cultural contact
B. Psychological factors affecting first- and second-language development	B. Methods	B. Stages of individual cultural contact
C. Socio-cultural factors affecting first- and second-language development	C. State mandates	C. The dynamics of prejudice
D. Pedagogical factors affecting first- and second-language development	D. Limitations of assessment	D. Strategies for conflict resolution
E. Political factors affecting first- and second-language development	E. Technical concepts	<u>IV. Cultural Diversity in U.S. and CA.</u>
		A. Historical perspectives
		B. Demography
		C. Migration and immigration
