## **COURSE LEARNING OUTCOMES**

Upon successful completion of this course, students will be able to understand the nature of formalized education in the United States and be able to assess his or her interest in teaching as a career.

### **Teaching Performance Expectation (TPE) Competencies**

The course objectives, assignments, and assessments have been aligned with the CTC standards for a (Single Subject, Multiple Subject, Special Education, etc.) Credential. This course is designed to help teachers seeking a California teaching credential to develop the skills, knowledge, and attitudes necessary to assist schools and district in implementing effective programs for all students. The successful candidate will be able to merge theory and practice in order to realize a comprehensive and extensive educational program for all students. You will be required to formally address TPEs in this course.

### **Teaching Performance Assessment for Developing as a Professional Educator**

The successful completion of the personal philosophy assignment is a requirement for completion of this course and is a component of partially meeting TPEs. This statement will be used for assessment both in the course and at completion of the School of Education program. Retain an electronic copy of your statement for submission for your portfolio at the completion of your teacher education program.

### **Special Education Inclusion**

Consistent with the intent to offer a seamless teaching credential in the School of Education, this course will introduce the collaborative infusion of special education competencies that reflect inclusive educational practices. Students will demonstrate knowledge of laws and dispositions that relate to special education through a variety of activities such as the viewing and analysis of the video F.A.T. City, reading and analysis of special education law, and articles for creating an inclusive school.

### **Credential Program Recommendations**

As one of several evaluation methods, EDUC 350 course instructors are asked for feedback concerning credential candidates who are applying for programs at Cal State San Marcos. Keep in mind that your professionalism and hard work in this class not only affect your course grade, but also indicate your readiness for a credential program.

### **Expected Dispositions for the Education Profession**

Education is a profession that has, at its core, certain dispositional attributes that must be acquired and developed. Teaching and working with learners of all ages requires not only specific content knowledge and pedagogical skills, but positive attitudes about multiple dimensions of the profession. The School of Education has identified six dispositions that must be evident in teacher candidates: social justice and equity, collaboration, critical thinking, professional ethics, reflective teaching and learning, and life-long learning.

These dispositions have observable actions that will be assessed throughout the preparation program. For each dispositional element, there are three levels of performance - *unacceptable*, *initial target*, and *advanced target*. The description and rubric for the three levels of performance offer measurable behaviors and examples. The assessment is designed to provide candidates with ongoing feedback for their growth in professional dispositions and includes a self-assessment by the candidate. The dispositions and rubric are presented, explained and assessed in one or more designated courses in each program as well as in clinical practice. Based upon assessment feedback candidates will compose a reflection that becomes part of the candidate's Teaching Performance Expectation portfolio. Candidates are expected to meet the level of *initial target* during the program.

There will be zero tolerance for infractions. If you believe there has been an infraction by someone in the class, please bring it to the instructor's attention. The instructor reserves the right to discipline any student for academic dishonesty, in accordance with the general rules and regulations of the university. Disciplinary action may include the lowering of grades and/or the assignment of a failing grade for an exam, assignment, or the class as a whole.

Refer to the full Academic Honesty Policy at:

[http://www.csusm.edu/policies/active/documents/Academic\\_Honesty\\_Policy.html](http://www.csusm.edu/policies/active/documents/Academic_Honesty_Policy.html)

### **Plagiarism**

As an educator, it is expected that each candidate (course participant) will do his/her own work, and contribute equally to group projects and processes. Plagiarism or cheating is unacceptable under any circumstances. This will be met through written coursework assignments such as, Reading Journals, Teacher Interview Paper, Philosophy of Education Paper, and Classroom Observation Reports.

### **Electronic Communication Protocol**

Electronic correspondence is a part of your professional interactions. If you need to contact the instructor, e-mail is often the easiest way to do so. It is my intention to respond to all received e-mails in a timely manner. Please be reminded that e-mail and on-line discussions are a very specific form of communication, with their own nuances and etiquette. For instance, electronic messages sent in all upper case (or lower case) letters, major typos, or slang, often communicate more than the sender originally intended. With that said, please be mindful of all e-mail and on-line discussion messages you send to your colleagues, to faculty members in the School of Education, or to persons within the greater educational community. All electronic messages should be crafted with professionalism and care.

Things to consider:

- Would I say in person what this electronic message specifically says?
- How could this message be misconstrued?
- Does this message represent my highest self?
- Am I sending this electronic message to avoid a face-to-face conversation?

In addition, if there is ever a concern with an electronic message sent to you, please talk with the author in person in order to correct any confusion.

### **Tuberculin Risk Assessment and Certificate of Clearance**

Due to school site regulations and state and federal laws associated with protecting the safety of children, CSUSM students may NOT engage in field experience hours until a **Certificate of Clearance/Live Scan** and a **Tuberculin (TB) Risk Assessment** (form provided on p. 2) are cleared. You will need to provide your instructor with verification of Live Scan clearance. To protect your health information privacy, students enrolled in prerequisite courses, do not need to submit the TB Risk Assessment to the instructor; however, the school at which you complete the early field experience may ask for it, along with the letter of introduction from your instructor, and the Certificate of Clearance. **Be prepared to show evidence of these documents to the school site.** You will be required to sign and submit to your instructor a **Confirmation of TB Risk Assessment Contract** (contract provided below & on cougar course).

### **Tuberculin (TB) Risk Assessment**

*The TB Risk Assessment is achieved through submitting to a TB Risk Assessment visit with your medical provider. Additional information regarding tuberculosis risk assessment can be found at*

*<https://ctca2015.iescentral.com/filelibrary/TBCB-CA-School-Staff-Volunteer-TB-Risk-Assessment.pdf>*

*TB risk assessment is valid according to the findings of your risk assessment and must remain valid throughout all early Field Experiences and Clinical Practice (student teaching). The clearance may be obtained at a private health care provider's office, the County Health Department or the CSU San Marcos Student Health and Counseling Center. Current CSUSM students can obtain an appointment at the Student Health Center by calling 760-750-4915. Please note the tuberculin clearance is separate from the immunization clearance required for University admission.*

### **Certificate of Clearance**

A Certificate of Clearance is issued by the Commission on Teacher Credentialing (CTC) to credential program candidates.
