- Please do the Girl Scout Promise and Law at the beginning of the first video in your series (please use a visual aid showing the Promise and Law so that the girls can follow along)
- Whenever you are explaining a concept, make sure to use visual aids and examples, don't just talk. **Include at least 3 different types of visual aids or activities per video**
- If you are doing a craft, give the girls step-by-step instructions and provide a sample craft. You should be doing it with them as you are providing instruction and showing them your progress as you go

Girl Scout Promise

On my honor, I will try:

To serve God* and my country,
To help people at all times,
And to live by the Girl Scout Law

Girl Scout Law

I will do my best to be

honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for what I say and do,

and to

respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.

When doing the Girl Scout promise and law, please stand while doing the Girl Scout symbol with your right hand
